ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It cools the child, softens the gums, allays all pain relieved wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

BRONCHITIS.

J. J. COOPER, Norval, Halton County, Ont., writes: "I have suffered for years with bronchial troubles, and tried almost every remedy. One day when in the drug store, the druggist recommended my trying **WISTAR'S BALSAM OF WILD CHERRY,** which I did, and to my great surprise, after using three bottles, I am as well as ever."

GEORGE E. MORROW, Druggist, Georgetown, Ont., writes: "I take pleasure in certifying that I have sold **DR. WISTAR'S BALSAM OF WILD CHERRY** for ten years, and know it to be one of the oldest as well as the most reliable preparations in the market for the cure of Coughs, Colds, and Throat and Lung Complaints. I know of no article that gives greater satisfaction to those who use it, and I do not hesitate to recommend it."

R. H. HODGSON, Brampton, Ont., says:—"WISTAR'S BALSAM has given good satisfaction, I can recommend it."

CATARRH:

A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and of the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with **MESSRS. A. H. DIXON & SON,** 302 King Street, west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—*Montreal Star*
