RALLIES CHECK EXPORT DEMAND —  
MARKETS ON BOTH CONTINENTS  
OPENED WEAK. — A BEARISH CA-  
BLE.

Chicago, Oct. 25.

Wheat markets on both continents were unanimous in opening at declines this morning. Chicago at 70½ for December and 74½ for May, was in both ½ lower than yesterday's closing. New York at 75½ and 78½ sold Dec. and May wheat at the same decline, while Liverpool's prices all being one farthing lower, are just ½ cent below last closing price.

Bartlett & Frazier, of Chicago, say: London cables us that a parcel of Chicago No. 1 Nor. sold there today on spot at a price equal to 63½ in store here, basis of present interest and ocean freight. This cable is so plainly a bearish one that it cuts no ice according to the general comment. However, there is little apparent in the situation to encourage outside buying with many long accounts showing heavy losses. Visible supplies are large compared with previous years and export business is on a small scale and confined to outports which offered concessions from New York parity. Shipments from Russia reported famine stricken amounting to 2 million bushels; early Amsterdam movement not generally liber' till Jan. 1st, protracted Argentine shipments generally closing about Sept. 1st with 8 million bushels more in view from it are bearish facts which probably will cause a continuation of the 24 hour rallies which have been characteristic of the market for a month past.
