CONCLUSION.

Such is the brief record of that great work which the Board sustains in twenty-two missions among unevangelized people in all parts of the earth. In almost 1,000 populous centres a force of 2,500 laborers, foreign and native, is preaching the gospel in twenty-five different languages, and conducting a great evangelistic and educational work. Fifteen new churches have been organized, and out of a total membership of 28,000, nearly 3,000 have made profession of faith this year. ninety-six high schools and colleges 6,000 picked youths of both sexes are in training to reinforce the native agency, besides 34,000 pupils under Christian instruction and influence common schools. And above all, the Christian character of the native converts is assuming greater depth and earnestness, and their share in evangelistic work is steadily increasing in value as well as in amount.

THE FIRST MONTH .- The financial beginning of the new year is favorable, the receipts being more than double those of the first month of the preceding year; amounting to \$30 .-668.57, of which over \$22,000 is from donations.

American Baptist Union.

This Union represents some 600 .-000 or 700,000 Baptists in the Northern and Western States, and is the second oldest foreign missionary society in the country. Its 73d annual meeting was held in Minneapolis. Minn., May 27-28. We give an abstract of its annual report.

Its first field was Burmah, where it has planted a vigorous and selfsupporting Christianity, which, with its admirable system of schools and its missionary spirit, is making constant inroads on heathenism. Since Upper Burmah was opened to the world by the overthrow of King Thebaw, the Union has been sending missionaries into that kingdom. It
