Machell, Toronto; (37) Report of some Interesting Abdominal Operations, with exhibition of specimens, Rufus B. Hall, Cincinnati.

---

#### OBITUARY.

DR. ISAAC WESLEY BROWN, of Beachville, Ont., died at his home, July 20th, 1894, from cancer of the pancreas, as was discovered by post-mortem examination. He became a licentiate of the Medical Board in 1858, and at once went to Beachville, where he practised continuously until a short time before his death. He was successful in practice, and was highly esteemed in the county of Oxford. He was 57 years of age, and left a widow and three children.
