## A GREAT COMFORT.

Mr. E. G. Ponton, Barrister, Belleville, Ont., who has just purchased a No. 2 Type-Writer, says:—  
"I am getting on nicely with the machine and find it a great comfort in my business in cases where I have conveyances, agreements, etc., to prepare, the documents being so very legible. In corresponding with the "Farmers" who invariably growl about lawyers "writing," they have no grievance now, so far as I am concerned."
