

## TO TEMPERANCE WORKERS!

### THE FINE FULL-PAGE CARTOON, STOP THE DEATH FACTORIES,"

which recently appeared in GRIP, is now, at the suggestion of many temperance workers, being published in sheet form for circulation in localities in which efforts are being made towards prohibition.

It is admirably adapted for this purpose, and should be extensively used by organizations and individual friends of the cause.

To secure their general use, the following low scale of prices has been adopted:

100 copies.....	\$1.00
500 ".....	3.00
1,000 ".....	5.00

These sheets can be made very effective in municipal elections.

### I OFTEN WONDER WHY

So many people interest themselves in politics. People are so foolish as to spend their money for worthless medicines when a sterling remedy like Dr. Jug's Medicine is obtainable.

A business man can fail to see the benefit of advertising.

Don't you?
