HAVE YOU MADE A WILL?

Making a Will is a duty recognized by all and the next most important step to making a Will is the selection of a suitable Executor or Trustee:

The advantages of a Trust Company over an individual in these capacities are many and important. A Trust Company offers absolute security, experienced management and constant supervision, and in addition it has continuous existence.

The Commercial has never enjoyed a more prosperous period than the present—particularly in the matter of new subscribers. The reason is not far to seek.
