

Defense Purposes, which was signed at Washington on June 15, 1955, and by Paragraph B or Article II [*bis*] of the Agreement for Co-operation concerning Civil Uses of Atomic Energy, which was signed at Washington on June 15, 1955, as amended by the Amendment signed at Washington on June 26, 1956, shall be carried out in accordance with the provisions of the present Agreement.

ARTICLE XII

Definitions

For the purposes of this Agreement:

A. "Atomic weapon" means any device utilizing atomic energy, exclusive of the means for transporting or propelling the device (where such means is a separable and divisible part of the device), the principal purpose of which is for use as, or for development of, a weapon, a weapon prototype, or a weapon-test device.

B. "Classified information" means information, data, materials, services or any other matter with the security designation of "Confidential" or higher applied under the legislation or regulations of either the United States or Canada, including that designated by the Government of the United States as "Restricted Data" or "Formerly Restricted Data" and that designated by the Government of Canada as "ZED Information".

C. "Equipment" means:

(1) any instrument, apparatus or facility and includes any facility, except an atomic weapon, capable of making use of or producing special nuclear material, and component parts thereof, and includes reactor and military reactor; and

(2) non-nuclear parts of atomic weapons systems involving Restricted Data.

D. "Non-nuclear parts of atomic weapons" means parts of atomic weapons which are specially designed for them and are not in general use in other end products and which are not made, in whole or in part, of special nuclear material; and "other non-nuclear parts of atomic weapons systems involving Restricted Data" means parts of atomic weapons systems, other than non-nuclear parts of atomic weapons, which contain or reveal atomic information and which are not made, in whole or in part, of special nuclear material.

E. "Atomic information" means:

(1) so far as concerns information provided by the Government of the United States, information which is designated "Restricted Data" and "Formerly Restricted Data";

(2) so far as concerns information provided by the Government of Canada, information which is designated "ZED information".

F. "Military reactor" means a reactor for the propulsion of naval vessels, aircraft or land vehicles and military package-power reactors.

G. "Reactor" means an apparatus, other than an atomic weapon, in which a controlled self-supporting fission chain reaction is maintained by utilizing uranium, plutonium or thorium, or any combination of uranium, plutonium or thorium.

H. "Persons" means:

(1) any individual, corporation, partnership, firm, association, trust, estate, public or private institution, group, government agency or government corporation other than the United States Atomic Energy Commission and Atomic Energy of Canada Limited; and
