

10. If a Party experiences problems that will prevent it from destroying its chemical weapons at a rate sufficient to meet the levels specified in this article, that Party shall immediately notify the other Party and provide a full explanation. The Parties shall promptly consult on measures necessary to resolve the problems. Under no circumstances shall the Party not experiencing problems in its destruction of chemical weapons be required to destroy its chemical weapons at a more rapid rate than the Party that has experienced such problems.

## ARTICLE V

### INSPECTION ACTIVITIES

1. Each Party shall provide access to each of its chemical weapons production facilities for systematic on-site inspection to confirm that production of chemical weapons is not occurring at those facilities.
2. Each Party shall identify and provide access to each of its chemical weapons destruction facilities and the chemical weapons holding areas within these destruction facilities for systematic on-site inspection of the destruction of chemical weapons. Such inspection shall be accomplished through the continuous presence of inspectors and continuous monitoring with on-site instruments.
3. When a Party has removed all of its chemical weapons from a particular chemical weapons storage facility, it shall promptly notify the other Party. The Party receiving the notification shall have the right to conduct, promptly after its receipt of the notification, an on-site inspection to confirm that no chemical weapons are present at that facility. Each Party shall also have the right to inspect, not more than once each calendar year, subsequent to the year of the notification and until such time as the multilateral convention enters into force, each chemical weapons storage facility for which it has received a notification pursuant to this paragraph, to determine that chemical weapons are not being stored there.
4. When a Party has completed its destruction of chemical weapons pursuant to this Agreement, it shall promptly notify the other Party. In its notification, the Party shall specify the chemical weapons storage facilities where its remaining chemical weapons are located and provide a detailed inventory of the chemical weapons at each of these storage facilities. Each Party, promptly after it has received such a notification, shall have the right to inspect each of the chemical weapons storage facilities specified in the notification, to determine the quantities and types of chemical weapons at each facility.
5. Each Party shall also have the right to inspect, not more than once each calendar year, subsequent to the year in which destruction begins and until such time as the multilateral convention enters into force, each chemical weapons storage facility of the other Party that is not already subject to annual inspection pursuant to paragraph 3 of this article, to determine the quantities and types of chemical weapons that are being stored there.
