

- ii) prohibit the retransmission of a distant signal by a cable system where
 - A) broadcast of the program is blacked out in the local market, or
 - B) the cable system distributes a network-carried program broadcast by a local network-affiliated television station,
 - iii) prohibit the retransmission of certain programming content, such as abusive and obscene material, alcoholic beverages or other prohibited products, provided that these measures are applied on a non-discriminatory basis and that the program or advertisement in which the programming content appears is deleted in its entirety,
 - iv) prohibit the retransmission of certain programs, advertisements or announcements during an election or referendum,
 - v) authorize the preemption of programs at the request of a Party for urgent and important non-commercial communications,
 - vi) require a cable system, whose licence as of October 4, 1987 contained an invocable condition requiring the system to delete commercial materials and substitute therefore non-commercial materials, to implement such a condition; provided that with respect to those cable systems that were not implementing such licensing conditions as of that date, such conditions of licence shall be eliminated upon licence renewal, or
 - vii) permit non-simultaneous retransmissions in remotely-located areas where simultaneous reception and retransmission are impractical; or
- b) introducing measures, including measures such as those specified in subparagraphs (a)(i) and (a)(ii)(B), to enable the local licensee of the copyrighted program to exploit fully the commercial value of its licence.
