

Natural Sciences and Engineering Research Council of Canada (NSERC) on the basis of the agreement of September 11, 1972 with adjustments made in accordance with the letters of November 23, 1976 and December 21, 1977 between the Academy of Sciences of the USSR and the National Research Council of Canada.

The sides will exchange annually 15 scientific workers for total period of 68 person-months to do research in natural sciences.

2. The sides will encourage and facilitate contacts and exchanges between scientists and scientific workers in the social sciences and humanities.

The Academy of Sciences of the USSR and the Social Sciences and Humanities Research Council of Canada agreed:

- a) to exchange annually 10 specialists from each country to conduct scientific work and deliver lectures in the agreed-upon fields of social sciences and humanities up to a total of 20 person-months;
- b) to create the conditions necessary for the fulfillment of the agreed-upon programmes, including the use of
