Sir Arthur Currie K.C.B. etc.
President's Office
McGill University.

Dear Sir,

Some months ago, when we were
corresponding on the subject of the new Eddy
Chair of Applied Chemistry, you were kind
enough to promise to see ~~to~~ me.
I have not, hitherto, been able to plan a visit
to Montreal, but now write to enquire whether
it would suit your convenience to grant
this interview either between Sept 2nd 7th or
Sept 9th - 10th.
