My LORD, SOLL

....

HE glories of Mr. Pitt's adminifration are the fucceffes of the war, conducted under his aufpices, accomplifhed by the wifdom of his plans, and the intrepidity infpired by his fpirit. They will fhine in the annals of England beyond the luftre of former ages. They will be eternal monuments of his amazing genius, refolution and fagacity. They will prove him not only the boldeft, but alfo the wifeft minifter England ever faw. To enumerate the objects of our praife would be to recapitulate the
