

*A SOLILOQUY---By Sam.*

The success of every institution is built upon a combination of individual selves. No man can help make an organization greater, better, more successful and more efficient, without making himself the same, because it develops in him the following good habits:

Enthusiasm,  
Belief in all that is good,  
Persistency,  
Boosting,  
Smiling,

and these, by the law of nature, have their complement, which is that of making confidence, satisfaction, appreciation, and good feeling on the part of those who come in contact with you.

To be a Noble of Al Azhar Temple is an honor to be appreciated. But don't be selfish. Help some other good fellow to get in.

Stir thy lethargy—get busy and secure one petition for the June Ceremonial.

Not all men make Shriners. They become members, but not Shriners. A Shriner is a fellow who has the mind of a poet, the philosophy of Marcus Aurelius, the patience of Job, the urbanity of a Chesterfield, who does not believe he is capable of giving advice to Allah, or running the universe; whose mirth bubbles up like the Banff hot springs; whose way is not the only way, who recognizes humanity in man, is tolerant of his foibles, forgives his sins and is great in the little things of life—that's the fellow we want. Look your friends over and get him.

*RAILWAY FARES*

Those coming to Ceremonial might purchase a one-way ticket to Calgary and at same time secure from the Railway Agent a Standard Certificate and hand same to Noble J. S. McCammon immediately on arrival in Calgary.

The railways have restored convention rates, but on a different basis than heretofore, now there must be one hundred or more certificates to secure a return rate of three-fifths the regular fare plus twenty-five cents validation fee, the validation fee is to cover cost of Railway Agent counting and hitting the certificates with his stamp. If there are less than one hundred, the return rate will be four-fifths regular fare plus the before-mentioned two bits.
