Business is Healthy, But Borrowing Money Is Difficult.

The wholesale dry goods section of the Toronto Board of Trade have sent out their annual report. Special men-tion is made of the money conditions of the northwest, where the pressure exercised by the banks has caused respiderable trouble. It is said that reciple of the highest standing there have not been able to secure banking accommodation and as a result the jobbers' receipts have been in smaller payments than usual. A claim is made that if the banks would foosen up, conditions would be normal again as business on the whole is healthy. Officers for next year were elected as follows: Chairman, Arnold M. Ivey: vice-chairman, J. A. Catto; secretarytreasurer, F. G. Moriey; executive, J. D. Allen, H. Brock, F. C. Daniels, J. C. Green, J. D. Ivey, J. C. Douglas, J. Muldrew, John Macdonald, C.
