MISS WILKS HAS **BIG STABLE AT EX.** 

Galt Lady Owner Has Twenty Head of Fine Well Bred Horses.

K. L. TODD, STALLION

Is the Pride of the Outfit-Several Good Pacers and Trotters.

Miss K. L. Wilks of Crulkston farm is, as usual, a very large exhibitor at the great Canadian National Exhibition. The stable comprises 21 horses, all told, headed by the premier stallion. K. L. Todd, a beautiful brown, horse, standing about 15.3, and will weigh eleven hundred pounds. He has a yearling record of 228 and has not been raced as yet. He was sired by Kentucky Todd (2.08%, 3 yrs.), dam Katherine L. (3, 2.12%). K. L. Todd went a mile as a three-year-old in 2.43; he is a grand type of the standard bred. splendid conformation, good, clean, flat bone, the best of feet, and in fact is one of the best.

Bingen Celeste (2, 2.24½), is a black horse, sired by Bingen Pilot, dam Mary Celeste (3, 2.17). This fellow will be raced in the three-year-old stake trots. He is a nice-gaited trotter, and has the best of manners, with a very easy way of going. Chimes Todd is another in the barn, a full brother to K. L. Todd.

Oro Lambert, Jr., is a gray horse, 3 years old, sired by Oro Lambert, dam Helen Knight by Director General: resembles his dead sire very much, both in color, size, action, and in fact looks like he would be as fast, if not faster, than his sire. He has a beautiful way of going, a straight line trotter, and should nothing happen he will be heard of in the near future.

Two Good Pacers

Susie Oro, by Oro Wilks, 2.11, dam Susie T., 2.08%, by Ambassador. This mare, along with Gracie Todd, was staked thru the Canadian circuit the past summer, the former in the 2.30 pacing classes and the latter in the 2.24 trots. Unfortunately they were attacked with influenza, which has been so prevalent, and both of them, as well as a number of others, were thrown out of training. Susie Oro won first in the single pacing classes for 15.2 and over.

Gracie Todd, black mare, by Todd, dam Gracie Bingen, dam of Princess Todd, 2.09%, as a three-year-old. This is a perfect picture of a mare, and looks and acts as if she will be very fast. She is a pure black, no marks except a little white on the left hind ankle. Vanity Todd is a gray filly, 2 years, by Jim Todd, dam Vanity Oro, 2.01½. Most readers will remember Vanity Oro, the little gray mare that was such a grand trotter and raced so well at this Exhibition two years ago. This filly has been nicely broken and shows a good way of going; not very large, but one of those well-put-together kind, that will stand a lot of work.

### TUESDAY'S JUDGING **BEFORE THE STAND**

T. H. Hassard Wins Roadster Class With Oro Prince-Indian Chief's Double Win.

In the classes judged before the grand stand yesterday, Class 170 was for roadsters, single gelding or mare, pacer, under 15.2. The entry list was not large, only four facing the judges. Oro Prince, black gelding, owned by T. H. bassard of Markham, was easily the best. This horse was sired by Oro Wilkes (2.11). His conformation was good, manners good, and, in fact, easily outclassed the rest of his field.

his field.

Heart Ease, a bay gelding, sired by Kentucky Todd (2.08%), was second. This was the entry of the Cruikston Stock Farm of Galt. Patterson Bros, were third with a bay gelding sired by Alcyonium Boy.

with a bay geiding sired by Aleysman Boy.

Class 167 was for roadster pairs There were four entries in this class; but what was lacking in number was fully made up by the class shown. Medion and Geo. H. Ketcham, owned by W. J. Crossen of Cobourg, were awarded the first prize. This pair-were certainly a classy pair of roadsters. They traveled as one horse, were beautifully mated as to color, size, action, and all that go to make a first-class pair of road horses. Moko Eira and Okom Belle, owned by Miss K. L. Wilks, received the second-prize. This pair also was good, but had hardly had the attention to put them in the best of condition was good, but had hardly had the attention to put them in the best of condition to compete; at that they were a close second. Ira Bates of Aylmer, Ont.. was third with a nice pair, King and Gueen.

The Saddle Horses.

Class 198, saddle horses, gelding or mare, up to carrying 190 lbs—indian Chief, a noble-looking chestnut gelding, owned by Sir H. M. Pellatt, was first over a good field, and in a later class for best saddle horse received the championship. Geo. Pepper had a splendid entry in his gray mare, Blue Mouse. She showed a great deal of class and was particularly good in manners, He ran the Chief close for first position. The entry of Mrs. McHalsali was third, with the ch.g. Lance.
