

THE DRUG IS THE STRENGTH OF LIFE

Pure Blood is Absolutely
Necessary to Health.

"FRUIT-A-TIVES" PURIFIES

These Wonderful Tablets,
Made of Fruit Juices, Are
the Best of All Tonics to
Purify and Enrich
the Blood.

Pure, rich blood can flow only in a
clean body. Now, a clean body is one
in which the waste matter is regularly
and naturally eliminated from the
system. The blood cannot be pure
when the skin action is weak, when
the stomach does not digest the food
properly, when the bowels do not move
regularly, when the kidneys are
strained or overworked.

Pure blood is the result of perfect
health and harmony of stomach, liver,
bowels, kidneys and skin.

"Fruit-a-tives," by their wonderful
action on all these organs, keeps the
whole system clean as Nature in-
tended our bodies to be clean.

"Fruit-a-tives" tones up, invigori-
zates, strengthens, purifies, cleans and
gives pure, rich, clean blood that is, in
truth, the stream of life.

"Fruit-a-tives" is sold by all dealers
at 50c a box, 6 for \$2.50, trial size 25c,
or sent postpaid on receipt of price by
Fruit-a-tives Limited, Ottawa.

LEFT OF ALLIES NEARLY TURNED

Manoeuvre of Germans Was
Defeated — Serious
Cavalry Fighting.

Canadian Press Despatch.
PARIS, Oct. 23.—The Havas News
Agency has given out a despatch dated
"before the Basse, in October," which
says:

"The invaders, having first failed
before Albert and Roye, and secondly
before Arras, in their attempts to en-
velop the French left wing, are be-
lieved to have been more fortunate in
the region of Bethune, Merville, Bai-
leul and Arras."

"For this reason, after pushing for-
ward towards Hazebrouck (32 miles
northwest of Lille) and Aire-on-the-
Lys, they undertook on Oct. 14 an of-
fensive. Following the River Lys, Ger-
man cavalry crossed the river toward
Erquinghem and supported the right
wing of the infantry and the German army,
which proceeded south and southwest-
ward with the evident intention of
turning Bethune and seizing the rail-
roads which the Germans believe have
been used for supplying the left wing
of the allies.

"We defeated this manoeuvre, and
then occurred serious cavalry fighting
which, owing to the nature of the ter-
rain, left the issue confused."

TO INTERN 2000 GERMANS.

Canadian Press Despatch.
LONDON, Oct. 23.—A despatch to
The Times from Rotterdam, dated
Thursday, says: "Information from
several quarters is to the effect that
nearly 2000 Germans crossed into
Dutch territory on Zealand today and
that they will be conveyed to north
Holland for internment."

THE TERRORS OF INDIGESTION

Disappear When the Blood
is Made Rich, Red
and Pure

The mistaken idea that laxatives or
drastic purgatives provide a short cut
to the cure of indigestion is largely
responsible for the prevalence of dyspep-
sia and other stomach disorders. In-
digestion calls for more than a laxative.
Your stomach needs tone, it cannot absorb nourishment from the
food you eat. To give new
strength to your stomach so that it
may perform the work of digestion
without pain or distress, you must en-
rich the blood. This is the tonic
method for strengthening weak
stomachs. In cases of this kind Dr.
Williams' Pink Pills for Pale People
are the best medicine known. Every
dose makes new, rich blood, which not
only strengthens the stomach but
builds up every part of the body as
well. Here is an illustration of what
this medicine can do: Mrs. I. N.
Brown, Donville, N.B., says: "For
three years I was a sufferer from
chronic indigestion. I was hungry all
the time, yet could take very little
food, and I did take was followed
by great distress and nausea. My
sleep at night was broken, and I often
had profuse night sweats. The suf-
fering feeling which often followed
eating would cause my heart to palpi-
tate violently. At times my hands
and face would become the color of
clay and I would be completely pro-
strated. I was under the care of a
good doctor who finally told me the
trouble was incurable and that the
most I could hope for was temporary
relief. I was in these straits when a
friend advised me to try Dr. Williams'
Pink Pills. I did so, and used the pills
steadily for two months when I was
again a well woman, and have since
had no return of the trouble."

LONDONERS WARNED

Must Be Prepared for Possi-
bility of Raids From the
Sky.

Special Direct Copyrighted Cable to
The Toronto World.
LONDON, Oct. 22.—The capture of
Antwerp by the Germans, their advance
along the coast and occupation of
the towns in close proximity to the
English coast have brought home to
the people of England the imminent
possibility of air raids similar to those
over Paris.

We have rather laughed at the idea
that the German aviators would ven-
ture over London or even to the south-
east coast. Now, however, the light-
ing of the city, already reduced to
what was considered an absolute mini-
mum and generally denounced as an
absurd measure, is still further cur-
tailed. Even private houses must
show as little light as possible, pull
down all blinds and close the front
doors. Dwellers in apartments are ad-
vised to keep main entrances closed
and to draw their blinds. Recently
the proprietor of a saloon was fined
\$25 for refusing to put out the lights
a policeman considered unnecessary.

People Are Warned.
We know that the Kaiser has offered
money prizes to aviators who suc-
ceed in dropping bombs in London.
It is not surprising to learn that the
general officer commanding the de-
fences at the Thames and Medway has
issued the following warning:

"The public are warned that in the
event of hostile aircraft coming into
the neighborhood of these defences
there will be danger to residents from
falling pieces of projectiles, from pro-
jectiles themselves, or from bombs
dropped from aircraft. If firing is
heard, people should take cover in the
lower rooms or cellars. Persons who
seek to gratify their curiosity will do
so at their own risk. Warning will be
given by the only notice will be the
firing of guns."

British Armen Ready.
Assurance has been given the public
by one of the cabinet ministers that
if German aviators appear over our
shores British airmen will sail out, at
no matter what personal risk, and
make a determined effort to destroy
them. Suggestion has been made
that unless Germany ceases this
method of warfare, which is contrary
to all the precepts of modern civiliza-
tion, England will make reprisals.
We have plenty of airmen who are
willing to invade German territory with
bombs.

They have already done it at Col-
ogne and Düsseldorf, but they have
so far legitimately confined their
bomb-dropping to the Zeppelin sheds
and works.

LATEST NEWS FROM OTTAWA.

Great interest has been aroused at
the capital by the suggestion of a
new night train between that city and
Toronto. This enterprising step has
been taken by the Canadian Northern
Railway, which announces a daily
service leaving Toronto Union Station
at 11 p.m. and arriving at Ottawa Cen-
tral Station 7.40 a.m. The return train
at Ottawa 7.30 a.m. and arrives at
Toronto 7.30 a.m.—about the best cal-
culated to suit the convenience of all
passengers. The equipment which has
been specially installed for this
service consists of electric-lighted
standard sleeping cars and first-class
coaches. Stops are only made at im-
portant intermediate points, so that
punctuality and quiet runs should be
assured.

With the present day train (daily
except Sunday) a double service be-
tween Ottawa and Toronto is thus
constituted, and the prospect of added
competition causes much public
satisfaction.

For reservations and further particu-
lars apply to City Ticket Office, 82

REFUGEES ARE MOVING BACK TOWARD CITIES

Antwerp and Other Belgian Cen-
tres Are Being Re-
populated.

Canadian Press Despatch.
ROTTERDAM, Oct. 23.—The British
and Belgian refugees passed through
Rotterdam on Thursday for Antwerp
and other Belgian cities. There still
are 15,000 refugees here, but more
than 3000 have left for Antwerp in the
last three days. Nearly 40,000 refu-
gees so far have passed through Rot-
terdam for Antwerp and other Belgian
cities, but some are returning saying
it is unsafe in Antwerp. This has
created a feeling of alarm among the
homeless Belgians here, who are living
in the schools, churches and other
public buildings, and who are anxious
to go to their home towns.

ONLY A FEW GERMANS REMAIN AT ANTWERP

Canadian Press Despatch.
LONDON, Oct. 23.—A despatch
from Rotterdam to The Star says:
"The movement of the German troops
westward from Antwerp has left only
a few hundred men in the town. The
last batch left yesterday morning, and
the great forts were thrown by
German aviators missed railroad, tele-
graph and telephone stations and
troops on the march. They only
struck and destroyed the water stores
of some private houses, while many tell
quite harmlessly."

AERIAL ATTACKS UPON WARSAW A FAILURE

Canadian Press Despatch.
LONDON, Oct. 23.—A Petrograd
despatch to Reuters Telegram Com-
pany says: "The comparative ineffec-
tiveness of aerial warfare was proved
at Warsaw, where bombs thrown by
German aviators missed railroad, tele-
graph and telephone stations and
troops on the march. They only
struck and destroyed the water stores
of some private houses, while many tell
quite harmlessly."
