TENACIOUS RESISTANCE

Austrian Statement Virtually Admits Bulgars Are Being Held Up.

LONDON, Nov. 28. - Reports conerning the fighting in the Balkans are more confusing than ever. The German accounts still claim progress for the Austro-German and Bulgarian troops, and recount the capture of DR. MACDONALI housands of prisoners and many guns from the Serbians. But from the towns mentioned their advance appears very slow. It may be, as reported from Italian sources, that the campaign is waiting on a change in the disposition of the armies, so that the Germans may be the first to enter Monastir. This trouble likely to arise thru Greek objection to Bulgarian occupation of the

city, which is so near their porder. state that the delay is due to the that the Serbians have utreated Bulgarians, who were advancing on the town, and that they have reoccupied town, and that they have reoccupied Perhaps the real reason for the slowness of the invaders' progress arises from difficulties of transport.
