

JOHN LANE'S LIST OF FICTION

BY A. NEIL LYONS.

ARTHUR'S.

Times—"Not only a very entertaining and amusing work, but a very kindly and tolerant work also. Incidentally the work is a mirror of a phase of the low London life of to-day as true as certain of Hogarth's transcripts in the eighteenth century, and far more tender."

Punch—"Mr. Neil Lyons seems to get right at the heart of things, and I confess to a real admiration for this philosopher of the coffee-stall."

SIXPENNY PIECES.

Pall Mall Gazette—"It is pure, fast, sheer life, salted with a sense of humour."
Evening Standard—"Sixpenny Picces' is as good as 'Arthur's,' and that is saying a great deal. A book full of laughter and tears and hits innumerable that one feels impelled to read aloud. 'Sixpenny Pieces' would be very hard indeed to beat."

COTTAGE PIE.

"* Mr. Lyons' former books dealt with East London characters. Now he draws the varying types of a small country community. The humour of the whole is enforced, inimitable, and there is the underlying note of tragedy never wholly absent from the lives of the poorer classes."

W. J. LOCKE, in *Outlook*—"... That book of beauty, truth, and artistry."
EDWIN PUGH, in *Outlook*—"I have never missed an opportunity to express my admiration for his inimitable talent."

CLARA; SOME CHAPTERS IN THE LIFE OF A HUSSY.

Crown 8vo.

Manchester Guardian—"Mr. Lyons writes about life in the slums with a great deal of penetrative sympathy for human nature as it shows itself."

Daily Graphic—"Clara is a type, the real thing, and we know of no-one else who could have created her."

THE EAGLE'S NEST.

Athenæum—"We should describe the book as a brilliant *tour de force*. . . The story is spirited and interesting. The love interest also is excellent and pathetic."

Spectator—"This is one of those illuminating and stimulating romances which set people reading history."

BEGGARS AND SORNERS.

"* * * 'Beggars and Sorners' is a novel which deals with what may be called the hack-wash of the 'Forty Five.' It commemorates the *débâcle* of a great romance, and in describing the lives, the struggles, the make-shifts, the intrigues and the crimes of a small circle of Jacobite exiles in Holland between the years 1745 and 1750, it strives to show the pathos of history while revealing its seamy side. The characters are imaginary (with one important exception); they have imaginary names and commit imaginary actions, for the story is not confined to, but only founded on, fact. If some readers of Jacobite history find among their number some old friends with new faces, this need not detract from the interest of others to whom all the characters are new—actors in a drama drawn from the novelist's fancy. To English readers it may have to be explained what the word *Sorner* means—but the story makes this sufficiently plain. The novel is of a lighter character than those previously written by this author, and it is not without sensational elements. In spite of adverse circumstances, grim characters, and all the sorrows of a lost cause, it contrives to end happily. The scene is laid in Amsterdam."
