SIR WALTER RALEIGH, history says,  
is quite entitled to our praise  
As being first to introduce  
Tobacco for our present use.  
He gave it to society  
Without the least anxiety,  
But since Sir Walter had his day  
A few long centuries away,  
Improvement has kept pace with need  
In making up the fragrant weed.  
Cigars, of course, are very old,  
And some were worth their weight in gold,  
But none you can purchase near or far  
Are better than VARIETION or GRAND OPERA CIGAR.  
Its aromatic smell is nice,  
Its flavor good, 5 cents the price.

Any person or firm who is desirous of creating a quick demand for his or their wares, should use posters in preference to all other avenues of publicity. Nothing is one half so prompt. Proof of this fact is found in the fact that circus and theatrical managers have learned through years of experience that they bring a response that is almost instantaneous. For this reason itinerant organizations rely upon them almost to the entire exclusion of all other forms of advertising, save distributing matter.

If you want to advertise anything anywhere at any time, and desire to procure maximum results at minimum outlay, use the billboards.
