Bowbeer, Charged With Non-Support
of Wife, Said to Have Met
With Armed Resistance.

AN AX, A SWORD AND A SCABBARD

Result of a 12th of July Family
Jar—Other Notes of York
County.

Toronto Junction, July 14.—(Special).—For
trying a horse too close to one of the newly
planted shade trees A. M. Gable was this
morning compelled to pay into the town
treasury \$1.

The town has been very quiet to-day,
which is largely accounted for by the fact
that our population, who, in large num-
bers, went to Oakville this morning with
the Annette-street Methodist Church ex-
cursion.

Constable Flintoff has returned from his
holiday trip.

The Humane Society yesterday sent out
Constables Boyd and Wilson to examine
the horses used at the shale pits on the
Humber. The constables found some of the
horses working with very sore shoulders,
and it is probable that the society will in-
stitute charges of cruelty.

Weston, July 14.—(Special).—Mr. Bowbeer
last night appeared before Squire Cruick-
shank to answer the charge of non-sup-
port of his wife. It appears that Mrs.
Bowbeer left her husband to live with her
father, Mr. Charles Strong. Bowbeer went
after her, and, being refused admittance,
he took up an ax and was about to chop
his way in when two girls appeared on
the scene, one with an old sword, the other
with the scabbard.

Bowbeer then went to Magistrate Cruick-
shank to try a charge of assault against
his father-in-law, and before he got the
charge laid his father-in-law arrived at the
magistrate's and laid a charge of assault
against him. Bowbeer says he is quite will-
ing to support his wife if she lives with
him, and will pay for her maintenance any-
where except at her father-in-law's. The
case stands adjourned till the 21st.

Walter Mitchell of the fourth concession
of York went \$1 and costs and bound
over to keep the peace for a year on a
his wife. Walter is a Catholic and on the 12th of July
he was charged with each other so much
that Walter struck his better half. They
will live peacefully together for another
year now.

Mearns, Fraser, McCall and Fortune,
three unfortunate cyclists, were each fined
\$1 and costs for wheeling on the sidewalk.

East Toronto, July 14.—(Special).—The
Board of Temperance have elected the fol-
lowing officers for the current term: W. C.
Patterson, past worshipful patriarch; J. Patterson,
treasurer; W. H. Lucas, recording scribe
and Deputy G. W. P. Mrs. Liddle, chap-
lain.

Winnifred Richardson, the youth who was in-
jured with a toy car two or three weeks
ago, will soon be all right again.
None of the metal entered the eyeball and

Mayor Davis and Councillor Brown sat
last night and discussed the estimated
for the year. The rate last year was 16
mills, but on the figures taken last night
the rate will have to be raised half a mill;
this is partially accounted for by a lowering
of the assessment.

SATURDAY, JULY 15.

No Trash ... At Any Price!

From the beginning we've insisted that the best was none too good for our trade. Buying as we buy, in large quantities, taking quick advantage of special opportunities and saving all cash discounts, enables us to sell first-class goods below the market. That is largely the case now. New goods of every sort are coming to us at a big discount from regular prices, and we hand the saving over to you without reserve.

The July Sale of Furniture

leads the interest, but in every stock there are bargains. But, no matter how cheap, we in- sist that everything must be good. And, no matter how good, we insist that everything must be cheap.
