HONEST SHOES

President Lincoln's homely aphorism, "You can fool all the people some of the time, and some people all the time, but you can't fool all the people all the time," may be applied to the business methods of some shoe merchants who are continually boasting that they are selling shoes "below cost."

They may succeed in hoodwinking customers for a short period, but the merchant who sticks to

Honest Shoes, Honest Prices, Honest Dealing.
Will Come Out on Top Every Time.
We believe in and practice the above Three Honests.
