\$30£050\$00\$00\$00\$ Cured Senator Costigan "FRUIT-A-TIVES"—is the finest medicine ever produced"

OTTAWA, ONT., Jan. 8th, 1906. I have been a dreadful sufferer from chronic constipation for over thirty years and I have been treated by many physicians and I have taken many kinds of proprietary medicines without any benefit whatever. I took a pill fora long time which was prescribed by the late Dr. C. R. Church, of Ottawa. Also for many months I took a pill prescribed by Dr. A. F. Rogers, of Ottawa. Nothing seemed to do me good. Finally I was advised by Dr. Rogers to try "Fruit-a-tives" and after taking them for a few months I feel I am completely well from this horrible complaint. I have had no trouble with this complaint now for a long time, and I can certainly state that "Fruit-a-tives" is the only medicine I ever took that did me any positive good for constipation. I can conscientiously recommend "Fruit-a-tives" to the public as, in my opinion, it is the finest medicine ever produced.

### Had Palpitation of The Heart EVER SINCE SHE WAS NINE YEARS OLD. MILBURN'S HEART AND NERVE PILLS EFFECTED A COMPLETE CURE

If you find your health failing, your food apparently doing you no good, your heart beating irregularly—now slow, now fast skipping a beat now and then, palpitations or throbbings on the slightest excitement or exertion, pain in the region of the heart, face pale, dizzy and faint spells, these all point to heart weakness, to nerve derangement, to a state of health consequent upon these, which, if not corrected and cured by Milburn's Heart and Nerve Pills, will surely end in utter prostration and hopeless invalidism.

From the depths many have been raised by this remarkable remedy, as its power is beyond all question most marvellous; but, why wait until you have gone so far? Taking these pills now will turn you from the perilous path of sickness and put you on the highway to health. Miss Mary Wilson, Toronto, Ont., writes:
