MARKHAM FAIR MAKES GREAT BIG NEW RECORD

Directors Claim That 20,000 People Entered the Gates—Great Show of Horses.

MARKHAM, Oct. 9.—(Special).—Glorious weather favored the third and closing day of the Markham Fair here this afternoon, and this fact, coupled with the national reputation attained, served to render the event a memorable one in the history of the society, breaking all previous records by a big margin in attendance and exhibits.

A brief summary of the situation by the directors to-night shows that more than 18,000 people passed thru the turnstiles, to say nothing of the 2000 odd passes and complimentary tickets issued.

Every sideroad and concession in the county contributed its quota, to swell the throng, while the Grand Trunk Railway ran two heavy double header specials from the city, in addition to the regular train service. From the north a heavily loaded special was run from as far north and last as Jackson's Point, and Peterboro.

A fact which speaks volumes for the personnel of the visitors is that not an arrest was made on the grounds or in the town, and the work of the special constables was wholly a sinecure.

Some Who Were There.
It was a representative gathering of business men and agriculturists assembled here to-day.

Among a few of those noticed on the grounds from the city were George H. Gooderham, Dr. Orr, W. J. Stark, Ald. Church, James Baird, "Joe" Clark, J. E. Thompson, Wm. Houston, Frank Brentnall, John A. Ramsden, ex-controller Ramsden, Walter Garbutt, Robert Graham, Walter Renfrew, F. W. Hamblin, E. B. Joyce, W. B. Milliken, A. Harris, and Geo. Green.

From the county were Arthur Johnston, Peter Christie, Capt. Tom. Wait, A. E. McCowan, M.L.A.; John A. White, E. C. H. Tisdale, W. J. Ames, Sandy Doherty, John Little, Wm. Cox, H. C. Marr, J. H. Speight, Reeve Lapp, Markham; Reeve Annie Scarboro; Reeve Henry, York, and a host of others.

Great Show of Horses.
The horse ring was naturally the great centre of interest and here in the general purpose classes shown by the paddock the display during the afternoon was simply superb.

Some of the winners in the heavy classes were:
The judges in the hackney and carriage classes were Tom Crowe and Robert Johnston of Toronto, and in the roadster and hackney classes, Wm. Kelley and Dr. Brodie, Clarendon, and the greatest satisfaction was expressed at the decisions given.

Draught team—J. W. Cowie & Son, 1. Jas. Russell, 2. Jas. Scott, 3. Cart horse—J. W. Cowie & Son, 1. Imported class, 3-year-old and over—Graham and Renfrew, 1. Graham Bros., 2.

Stallion, 1-year-old—Graham Bros., 1. Brood mare, with foal by side—A. G. Gormley, 1. A. G. Gormley, 2. Imported, 3-year-old—A. G. Gormley, 1. A. G. Gormley, 2. Filly, 3-year-old—J. W. Cowie & Son, 1. A. G. Gormley, 2.

Filly, 3-year-old—Graham Bros., 1. Imported filly, 1-year-old—A. G. Gormley, 1. Graham Bros., 2. General purpose team—J. H. Lawrie, 1. George Bennett, 2. W. A. Patterson, 3.

The decision was protested on behalf of Reuben Stiver of Butontville, the owner of a splendid team of bays, which were thrown out by the judges as unsound. The decision giving J. W. Cowie & Sons 1st in draught team was also protested. The animals shown in this ring were of unusual excellence, and the work of the judges a difficult one. The officers were on general purpose, John Vipond, Brooklin, and W. J. Cowie, with Dr. J. M. Armstrong, director in charge.

The judges on draught horses were John Bright, Myrtle, and Thomas Roddy, Dominion Transport Co., Toronto.

Many Light Horses.
Some of the awards in the light horses were:
Single roadster—Thomas Graham, Clarendon, 1. Patterson Bros., East Toronto, 2. W. F. Battey, Brooklin, 3.

Cavalry horses—N. C. Brown, Whitby, 1. In high stepping hackneys Brigham Radiant 1, and Plymouth Horse 2, both owned by G. Graham Bros., excited great admiration by their splendid action and style.

The handsome cup presented by the Sovereign Bank for the best gentleman's turn out, single horse, gelding or mare, was won by Walter Renfrew of Graham & Renfrew. Mr. Renfrew won the prize last year, which now becomes his property.

In the lady drivers there was the keenest competition, eight ladies competing. The awards were: Mrs. G. A. M. Davidson, Parkdale, 1; Miss Graham, Clarendon, 2, and Miss Leask, Oshawa, 3.

The running and trotting furnished magnificent sport, and the winners were:
250 trot or pace:

Jennie K. 3 4 4

In Herefords Harrison Bros., Mt. Albert with 10 head, and Mrs. Ralph of Markham, and Freeman Bros. with 12, made good exhibits in Jerseys.

Notes of the Fair.
H. C. Marr, secretary, an active member of the society, was on the grounds to-day. "When we first started this fair," said Mr. Marr, "we utilized a tent, and the first year took in nearly \$60. See it now."

Lockie Wilson, superintendent of fairs, was a delighted visitor. "It's a brick," he said, "Mr. Wesson, and for a country fair I never saw a better."

Thompson was in charge of the Dufferin Old Boys, who drove out in a tallyho with two spanking fine teams of white horses. They had dinner and supper at the Queen's hotel, Unionville, and the party voted Mine Host John Hemmingsway a model landlord.

Joe, Clarke of "Saturday Night" said: "This gives a fellow a new lease of life."

NORTH TORONTO.

Town Council Met and Discussed Many Items.

NORTH TORONTO, Oct. 9.—The town council met in special session to-night when a bylaw was passed prohibiting the erection of buildings on Broadway-avenue other than stone, brick, or concrete, or concrete and having the street deteriorated as residential. Anyone violating this bylaw will be subject to a fine of \$50 and make the necessary alterations. The bylaw comes in force forthwith.

The York Masonic Hall Co. have the application for a permit.

Town Solicitor Gibson presented an exhaustive report to Ranelagh-avenue as found in the registry office, and as the town is burdened with a Glen-Shaw has any claim to 35 feet deep of the thoroughfare.

Frank McCrae wants to install an electric motor in his new butcher shop, but as the town is burdened with a franchise scare no permission could be granted.

Chief Collins was instructed to prosecute anyone dumping refuse on the public highway contrary to the town's bylaw.

After the council meeting the parade of the 300 foot east on Davisville-avenue the digression should be only 35 feet, and from there a straight line thru the Glen property. Some objection was made, but the committee is determined to have a straight line for a parallel road (that laid by Engineer Gibson).

The mayor, town clerk and assessor were busy this evening selecting jurors.

Town Clerk Douglas will start his two weeks' holiday to-morrow (Saturday).

The public meeting to be held under the auspices of the Ratepayers' Association to-morrow (Saturday) evening in the town hall promises to be an interesting one.

The pupils of the Davisville public school will have an entertainment in the town hall on Friday, Oct. 23.

The school board, at a special meeting held last night, accepted the plan of Architect Langley for enlarging the Davisville school by two, and the Eglington school by four rooms.

The "Wine of Barley"

Ale, the wine of barley, is said to have originally been made by the ancient Egyptians. It was the favorite beverage of the Anglo-Saxons and the Danes, and before their conversion to Christianity they believed that drinking it formed one of the chief felicities which those heroes enjoyed who were admitted into the hall of Odin, the great patron of bravery and culture.

Through all the ages ale has been used. The unconquerable Briton, the hardy, sturdy Anglo-Saxon and Dane—they all recognized its worth—the "wine of barley" was their favorite beverage.

To-day the same can be said. Ale—that is, pure ale—is the favorite beverage of the masses as well as the classes. It is wholesome, pleasing to the taste and, when brewed in the good old-fashioned way, as "East Kent" ale is brewed, it is "foaming deliciousness."

For three generations the Holiday family have been brewing "East Kent" ale in the quaint, little brewery, which is one of the best known landmarks in Guelph. They brew it as it should be brewed—as it was brewed in "the good old days." They use water which flows icy cold from a deep, clear spring; they use the very choicest of malt and hops, and they bring to bear years of experience, with the result that "East Kent" ale is pronounced by those who are competent to judge to be the perfect ale—the Bass' ale of Canada.

In Toronto "East Kent" is bottled by T. H. George, 709 Yonge Street, and every household into which it has once been introduced invariably welcome it as an old friend.
