Sir,

I have the honor to acknowledge your two letters relating to this matter with respect to the payment of Mr. Angus's account. I presume of course that you will obtain the necessary funds to pay the amount due by providing for it in the supplementary estimates for the present fiscal year.

In respect to the errors in the description of the land in the deed I have written to Mr. Angus with a view to having the errors corrected.

I might mention that I notice that the deed has been
