Catarrhal Deafness Cannot Be Cured

Members of the Portland Methodist reach the diseased portion of the ear.

A specimen of early Victorian needle work has just been presented to the Natural History Society's museum by Mrs. Elizabeth Wilson. It is a large fire screen, framed in the characterist fashion of seventy-five years ago. The work was done by Miss Gilbert, a member of the notable St. John family.

A specimen of early Victorian needle for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All druggists, 75c.

F. J. CHENEY & CO., Toledo, Ohio.

MORNING NEWS OVER THE WIRES

John and Hampton , arriving in St. John at 8 p. m. and leaving at 11 p. m. should be cancelled.

C. B. Foster, assistant general passenger traffic manager of the C. P. R., who was in the city yesterday, said that his road has taken off sixty passenger trains in Quebec and Ontario alone, effecting a saving of 112,000 train miles.

BANK OF NOVA SCOTIA MAKES EXCELLENT SHEWING VENO'S LIGHTNING COUGH CURE.

To this was added the balance of \$396,-115 brought forward from the previous HON. DR. PUGSLEY ASKS IF the current year \$584,654 after paying the usual dividend of 14 per cent., contributing \$50,000 to the Officers' Pension Fund, paying \$65,000 for the Government War Tax on circulation and contributing \$38,500 to the various patriotic tributing \$38,500 to the various patriotic funds devoted to the amelioration of conditions brought about by the war. The total assets now amount to \$116,-621,727 as compared with \$104,244,468 at the end of 1915, an increase of \$12,-877,260—about 12 per cent. Circulation shows an increase of about \$800,000 due to the general expansion of trade. Deposits have risen from \$76,806,000 at the end of 1915 to \$87,825,000,—an increase of over \$11,000,000 for the year.

Canadian house of commons on the initiative of the Hon. William Pugsley who has placed on the order paper a question as to whether the consent of the Allies, is to be given Constantinople and the Dardanelles as one of the terms of peace.

Mr. Pugsley desires to know whether the Canadian government was consulted regarding such an agreement and of over \$11,000,000 for the year. The total liabilities to the public are sp6,748,786, to meet which is held in Dominion notes and specie \$17,526,258—
practically 18 per cent. Adding to this cash, notes of, checks on and balances due by other banks, with the deposit in are qualified to vote in provincial elec-

due by other banks, with the deposit in the central gold reserves, the proportion works out at nearly 86 per cent. Supplementing this holding by other quickly realizable assets, the proportion is shown to be 73.38 per cent.; that is today, for every hundred dollars of liability to the public the bank holds in cash, or what can be quickly turned into cash, \$73.88,—a position of unquestionable strength. Changes in other assets as compared with the previous statements are not remarkable except those indiare not remarkable except those indi-cating the participation of the bank in the loans made to aid our own and the Imperial Governments in the prosecution of the war.

there is an increase of about \$900,000 in Demand loans made elsewhere than in Canada are about the same as at the end of 1915, but demand loans made against of 1915, but demand loans made against bonds and stocks in Canada show a reduction of about \$1,500,000. Bank premises, other real estate and other assets remain about as they were, no large expenditures having been entered upon during this period of disturbed conditions.

What a pity women don't realize that they were well—if the plood was nutritious—if the nerves were strong—if the organs were active—then the little things that irritate and prey on the mind wouldn't receive a moment's thought.

P.M. at D. Bassen's, 14-16-18 Charlotte street.

Members of the Portland Methodist reach the diseased portion of the ear. There is only one way to cure catarrhal able evening in the Natural History deafness and that is by a constitutional museum last evening. They were shown through and then heard an address by william Melntosh, the curator, on "The lining of the Eustachian Tube. When Than Christian."

There is only one way to cure catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and arriving here at 11.25 ap m, to connect with the Manthine cap. Soon."

There is only one way to cure catarrhal deafness is caused by an inflamed condition of the mucous when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to the normal condition, hearing will be wong the most of destroyed forever. Many cases of deafness is caused by catarrh, which is charge of the mill, said last night that he had not been away from the premises the result. Unless the inflammation of the mucous surfaces of the mill, said last night that he had not been away from the premises the sund that he had not been away from the premises to the wind a loss of deafness is inflamed you have a rumble of death about \$8,000. John E. Viger, who is in charge of the mill, said last night that he had not been away from the premises to the skin, buoyancy to the step, brightmand arriving here at 11.25 ap m, to connect with the Manthine cap. Soon met with the Manthine cap. Soon met with the Manthine cap. Soon and a healthy body.

This is why it gives color, clearness of the trans between \$1, John and arriving here at 11.25 ap m, to connect with the Manthine cap. Soon met with the Manth

The Madawaska county temperance people have finally organized. The new organization will be known as Lique Anti-Alcolique Du Madawaska and the officers were elected last Wednesday might. Rev. W. P. Babineau, a prominent temperance worker, was elected president. He is pastor at St. Jacques. At a largely attended meeting of the members of the Olivet Baptist church in Montreal last evening, a resolution was unanimously adopted inviting the Rev. Frank L. Orchard, B. D., of Woodstock, N. B., to become their pastor. From the fact that the death defying men of the mine have entered the north slove of the Springhill coal mines for

BRONCHITIS AND **COUGHS THATHURT**

Have you ever had that kind of Elsewhere in this issue appears the 85th annual statement of the Bank of Nova Scotia showing its position as at December 31, 1916, and we commend it to our readers as being an exhibition of successful management that cannot but be satisfactory to the shareholders, and of great financial strength that must further commend the institution to the general public.

The profits for the year, after making provision for bad debts, amounted to \$1,252,039, as compared with \$1,220,057 in 1915,—an increase of about \$32,000.

To this was added the balance of \$396,—

Ottawa, Jan. 19 World politics will shortly be a subject of discussion in the Canadian house of commons on the in-

regarding such an agreement and whether it is to be consulted regarding easonable price. The member for St. John also has ing over twenty years experience, and being established out of the High Rental District, affords us the oppor-tunity to give the public the best ser-vice at the most reasonable price. are qualified to vote in provincial elections.

WHY DO WOMEN WORRY?

A Sign of Failing Health

Worry is a disease—and it's mor produces other diseases, because it breaks down the nerves and saps the vitality of the body.

during this period of disturbed conditions.

The statements of this old-established bank have always been characterized by evidences of conservative management, which at the same time has not interfered with a rapid expansion of its business, and the present statement is no exception in this regard. The policy of maintaining strong reserves ample to meet all contingencies is being steadily maintained, and this would appear to be the first consideration now as it has been in the past.

The Longevity of **Total Abstainers**

over Moderate Drinkers is proven by our statistics which cover a period of almost thirty years and embrace many thousand lives. Space will not permit a record of each year, but our experience in 1915 was but a repetition of previous years, the actual death loss in our Abstainers' Section being 42% of the expected, as compared with 66% in the General Section. Our little booklet "Total Abstainers vs. Moderate Drinkers" contains a history of the favorable experience of our Company. Copy will be gladly mailed upon request. Why not ascertain the special advantages we have to offer you, if you are an abstainer, before placing your insurance? Write us to-day for further particulars.
