9£TOBER FEES AT HOSPITAL SET NEW RECORD FOR MONTH

Indications are That Year's P. E. ISLAND Revenue Will Meet Expenditures.

During the month of October the money received from the fees of paying patients was the largest amount tever taken in one month in the history of the hospital, amounting to \$5,225.99 in all. Fees in the X-ray department for October, although not the largest this department has netted in one month, were the second largest. Last year the Municipal Council clipped \$10,000 frooth the estimates for the General Public Hospital and it has only been because the receipts have exceeded all expectations that the finances of the hospital are as satisfactory as they have been found to be. At the meeting of the board of commissioners yesterday it was announced that it was hoped the year would close without a deficit.

The October financial statement presented at the meeting showed receipts to tablisher. Sibility \$15,112.85 including.

presented at the meeting showed re-cepts totalling \$15,112.85, including \$5,225.99 from paying patients, \$7,-616.94 civic grant, \$1.208 from X-ray
