#### West Side Games.

A fine schedule of games to be played on the Queen square diamond has been arranged for next week. The feature game of the schedule will be that which has been arranged between the St. George's Intermediate and The Telegraph and Times on Tuesday evening. The proceeds of which will be devoted to help defray the expenses of Hilton Bell's trip to St. Catharines. Considering the calibre of the newbies, it is expected that the management of the grounds will have baskets and wheelbarrows provided for those gentlemen whose duty it is to pile up the offerings. Second in importance to this game is the game between the All-Star team which has been picked to go to Halifax and the St. George's senior team, which will be played on Thursday night.

#### Following is the schedule:

Monday—Machine Gunners, leaders in the Garrison League, vs. St. George's, seniors.

Tuesday—St. George's Intermediates vs. Telegraph and Times.

Wednesday—Rowing Club Juniors vs. St. Rose's Juniors.

Thursday—St. George's Seniors vs. All Stars.

Friday—St. George's Intermediates vs. W. E. I. L.

Saturday afternoon—Canucks vs. St. Rose's Juniors.

Dalton Fans Fifteen.

The St. Rose's defeated the Cathedral team last evening on the St. Peter's ball park by a score of 9 to 2. Dalton, who was on the mound for the St. Rose's, pitched a star game having fifteen strikeouts. Murphy's hitting and Brogan's fielding were also features of the game.

The following is the box score and summary:

**Watermen Win.**

The men of the water department defeated the post office team by a score of 10 to 9 in a regular league fixture on the clockwork diamond last evening. The game was fairly close until the last inning when the water department team got nine runs to their credit while the postal men got only four. Hughes, of the aqua pura team was the lone star of the evening, having two home runs and a two-bagger. Wigners also shone well, having a three-bagger and showing up well in his fielding. Score:

**St. John's Going to Moncton.**

The St. John's left this morning with a fast team to play a double-header today in Moncton. The locals took practically their usual line-up along for the games, with the exception of Clarke, who was unable to make the trip. It is expected that Betty and Parlee will do the pitching for the locals. "Happy" Evans, manager of the St. John's, denied most emphatically last evening the rumor which was about that the team was disbanding. He said that they were leaving today to play Moncton and they would be on the road to endeavor to commence a winning streak, which he hoped would soon tie them again with the St. Peter's in the championship race.

**Machine Gunners Win.**

The Machine Gunners, leaders in the Garrison Baseball League, defeated the Permanent Force aggregation last night on the Barrack square in a regular league game by the score of 12 to 10. The batteries were: For the winners, McElbeth, Canning and Nelson; for the losers, Bell and McGorman.

**Machine Gunners Announce Plans.**

The Machine Gunners will clash with the St. George's senior on Monday evening on the Queen square diamond and on Tuesday night they are crossing bats with the Civics, leaders in the Civic and Civil Service League, on the East End grounds. The Machine Gunners have been working hard to get ready to give these two fast amateur teams a desperate battle to win.

**St. George's Won.**

The St. George's Intermediates defeated the West End Improvement league last evening on the Queen square diamond, 8 to 2. The batteries were: For the St. George's, White and Hargrove; for the W. E. I. L., Carleton, Mayes and Stinson.

Both men will weigh at 140 pounds, and the bout will be for the welterweight championship of the maritime provinces. It is expected that McIntyre and Mc-

Canadian champion sculler, from St.  
John (N. B.), passed through Montreal  
today on his way to St. Catharines  
(Ont.), where he will train in preparation  
for the next week's meet. To an  
interviewer, Mr. Belyea said he was in  
good condition and would do his best to  
retain his laurels won last season. From  
St. Catharines he expects to go on to  
Philadelphia to compete in the Ameri-  
can national regatta on Aug. 3-5.

## FREDERICTON TEAM HERE.

The Pirates, winners of the York  
County League, arrived in the city from  
Fredericton this morning and will try  
conclusions with the champion Royals,  
on the Barrack Green, in a double header  
this afternoon and evening. The  
Royals need no introduction to the St.  
John fans as a fast lot of ball players,  
and as for the visiting team, they have  
only lost one game during the season,  
and have with them some very fast ma-  
terial. The Royals have been conducting  
an advance sale of tickets for the games,  
and undoubtedly there will be a good  
attendance.

## THE STORIES of NEXT WEEK'S OPERAS AT THE IMPERIAL

Wednesday, 26th—"Maritana"

Nearly everybody is familiar with the storied career of that chivalrous knight errant Don Caesar de Basan as portrayed in standard literature and on the stage. To St. John this rollicking personage transferred to opera, with all the wonderful possibilities for lyrical and romantic treatment, will be a feast for the eye, ear, the enjoyment of fiction. Such an opera is "Maritana" which takes its title from the gypsy girl of whom the gay Spanish monarch, Charles II, became madly enamoured. Rich and sumptuous with the costuming of sunny Spain and brilliantly colorful in musical value, "Maritana" is a continuous delight throughout its three acts.

Thursday Matinee, 27th—"The Mascot"

When Edmond Audran dashed off the jingling airs of the comic opera "La Mascotte" (The Mascot) little did he dream, perhaps, that it would live down the years and prove as entertaining amid the maze of amusements in this twentieth century. The locale of the opera is Italian-village life during the vintage festival. The Mascot in the story is Bettina, daughter of the shepherd Pippo, a winsome little bare-footed turkey keeper, who for her sunny ways and cheerfulness is sent to the unfortunate farmer Rocco as an angel of good luck. Then follows a diverting chain of incidents in which traveling nobility are attracted by the beauty of the girl, complicated by the ardent advances of village swains.

Thursday Evening, 27th—"Fra Diavolo"

Here is an opera often quoted in musical company and familiar to most people who follow stage history. It has not been sung in St. John for a good many years but was one of the masterpieces of Frank Nelson, an operatic star popular in the maritime provinces about twenty years ago. This three-act work is from the tuneful pen of D. Francois Auber and treats dramatically and yet with many flashes of fun and clowning, of Italian banditti early in the nineteenth century. Fra Diavolo is the bandit king, two of his men are ludicrous comedians and Lord Allessah and wife, who fall into the hands of the robbers, increase the fun to high hilarity.

Friday, 28th—"Girofle-Girofla"

It is doubtful if many people in St. John remember the story of the twin sisters whose marriage affairs became terribly mixed. "Girofle-Girofla" has been sung in St. John by regettaire companies a couple of decades or more ago and abounds in the catchiest of airs not unmixd with bubbling wit. Like "Maritana"—although a much lighter work—this story costumes richly and gives full sway to romance and adventure. Big-footed pirates, gallant Dons, grand dames and beautiful peasant girls enter into the personnel of the opera which was written by Lecocq.
