AFTERNOON SESSION.

Conference opened at 3 o'clock, P.M.

Religious services by W. M. Pomeroy.

Journals read and confirmed.

J. G. Robinson, Esq., Treasurer of Albert College, presented the annual Financial Exhibit. It was received, and referred to the Committee on Education.

Dr. Jaques addressed the Conference in the interest of Albert College and Education.

The following resolutions of condolence were unanimously adopted :

Whereas, we have heard with deep regret and startling suddenness of the death of Mrs. Jaques, beloved wife of our esteemed brother, Rev. Dr. Jaques, an honored member of this Conference, and President of Albert College ;

And *whereas*, we believe it to be a duty we owe to our dear brother, a duty to which our hearts prompt us on this occasion, therefore,

Resolved,—That in the death of Mrs. Dr. Jaques the Church has lost a valuable and active member, the cause of Christ on earth an energetic and efficient worker. That in our deceased sister the institutions of the Church had a warm and ardent supporter, the poor a warm sympathizer, the erring and the fallen ones of society a wise guide and a loving helper in their struggles into a higher and better life. Her personal Christian virtues and her unremitting religious activities in the sphere in which she moved, will be cherished by us in loving memory, and we will strive to imitate her broad charity and her untiring zeal in the common cause.

Resolved,—That we hereby tender to the Rev. Dr. Jaques our united and most earnest and tender sympathies in this his severe and painful trial, and assure him that in the members of this Conference he has devoted and loving brethren who esteem him very highly for his genial and brotherly spirit, and deep devotion to his work. And that our prayers shall ascend to God on his behalf, that he may be sustained and comforted during his days of sorrow.
