last night.

Americans Visit British Columbia Waters and Purchase Salman-An Interesting Point. "T. Robinson, of the Dominion fisher-cents per fish, at which figure the Am-

ies office at New Westminster, has just returned from a visit to the sockeye sal- as the canners on the Fraser are only Mr. Graham judges beef cattle, heavy mon spawning grounds at Harrison riv- paying 14 cents for sockeyes and 12 er. He reports that as far as can be cents for cohoes. As, however, beef and dairy cattle, sheep, horses and swine. Or, Tolme judges beef and swine. Mr. Glendinning judges beef and dairy cattle and swine. Capt. Robson judges beef cattle, sheep and horses.

The reports that as far as can be judged from outward appearances, the sparwing is going on just as well as British Columbia canners to fish for last year, but the role is from 10 to 12 days later in developing, and the salmon they are liable to prosecution, while the are not yet ready to ascend the creeks. Americans are also liable for receiving
