THE FEET OF CLAY.

his next step over China and Japan there seemed to be nothing to prevent the Slav mastery of the Great East,

silded that it all looked imposingly solid and permanent. But the clay, ficialdom, was there requiring only a

is naturally unpopular. The lower classes hate their rulers and only lack of opportunity and ability to organize revents revolution. The rank and file appointments and policy depend upon the verdict of social cliques rather than erit and good judgment, and so the

navy frowns impressively, the soldiers and sailors keep good step and the uniforms of the officers fit faultlessly. But the shock of war knocks off all the tinsel and reveals the inefficiency of the charge of them. Hence the absence of defense when the Japs made their first torpedo attack on Port Arthur; hence the blowing up of ships by their own

Japanese.

The conditions that threaten to ruin Russia are not peculiarly Russian. The Boer war revealed a state of affairs almost as bad in the military officialdom of Britain, though the unchanged worth of the British rank and file and the awakened sense of the British people. quences and caused a change in army management which will render a similar peril impossible, for some time at

the Empire, as it was, and what saved Britain-a patriotic soldiery and a ruling common people with common sense -are possessions that Russia has not.

The death of Senator Dever removes from the Canadian Upper House one SEELEY—At Millidgeville, May 8th, to the who has served his country there long wife of Samuel Seeley, a son. and honorably. With the exception of Senators Wark and Miller, who were appointed in 1867 by royal proclamation, Senator Dever was the oldest member of the senate in point of service, having been called to the house in 1868 by Sir John A. MacDonald.

St. John is agitated over the question thether or not the restaurant in the park in that city shell be open on Sunday. Various bodies have been send ing in petitions against it, and Judge Ritchie asks "What is the use of all this ant and nonsense?" Presume he considers it restau rant.-Halifax Echo.

Emery Briggs leaves shortly for Little River, Sunbury county, to get 20,000 ties which were cut there a year ago. These ties will be used in the improvement of the line between Norton and Chipman.

EDWALD LINSKEY DEAD. Word was received here Saturday night of the death of Edward Linskey which occurred at Utica, N. Y. Mr. Linskey, who until recently was Mr. Linskey, who until vectory as the York Cotton mills in this city, left about ten days ago for Utica, where he was to have pened to Mr. Highmore's rich uncle." an operation performed for cancer of the stomach. He lived only an hour after the operation, which was performed on Saturday afternoon.

Mr. Linskey was born in Oldham,
England, and came here in 1882 when
the St. John Cotton Co. was first organized. After remaining here for a few years he went to Marysville where he started the card room at the Gibson factory. He stayed in Marysville for one year and then went to Utica, N. Y., where his home was until two years ago, when he came to St. John as superintendent of the York mills. He was 56 years of age and

was very popular here. A widow and one dapphter survive him. ALL THE SCENERY WILL BE USED When the curtain rises upon the ex-terior view of Lachlan Campbell's cot-tage in York Theatre this evening a large and fashionable audience will be large and fashionable audience will be present. The opening of the Bonnie Brier Bush engagement will be marked by a filled house, and the indications are the auditorium will be fully occupied during the remainder of the week. J. H. Stoddart, Reuben Fax and the other members of the company arrived in the city on the early morning express from Halifax and are resting until this evening. This afternoon the special scenery was placed in position on the enlarged stage of York Theatre. The stage director of the company, who onds, on May 7th, James J., fifth son of Dennis and Ann Connolly, in the thirty-seventh year of his age, leaving a father, mother, one brother and two sisters to mourn their sad loss. (Boston papers) lease copy).

ueral from his father's residence on Tuesty at 2.30 p. m. Friends and acquaintes are respectfully invited to attend be copy).

—At Ottawa on Saturday, May 7th, vn. James Dever, in the 79th year of funeral hereafter.

Language May morning expectation of the special scenery was placed in position on the enlarged stage of York Theatre. The stage director of the company, who visited the theatre this morning, expressed his delight at the improve-pressed his delight at

senators from New Brunswick, filling the place that Mr. Todd declined at confederation. Being a Roman Catho lic, his co-religionists will probably demand that his place be filled by one

of their own.

It is said here that if Blair were min ister of railways he would recommend James H. Doody of St. John for the position, but as Mr. Emmerson is now in power he will probably suggest Dr. Lewis of Albert, whose constituency has been wiped out by the last census, being amalgamated with Kings county

"Pike County," says a Kansas newspaper, "glories in the distinction of having the most luxurious crop of whiskers in the United States. The 26th, after a lingering illness, Eliza J., relict of the late Wm. H. Fleming, aged 80 years. Deceased leaves five sons and a daughter, besides a large circle of other kindred.
