HANS WAGNER OUT; MAY BE FOR SEASON

Great Pittsburg Ball Player, Injured Friday, Has "Stitch" in Heart Muscle

That Hans Wagner, greatest of living ball players, has not only been injured for the rest of the season, but that he may never be able to play baseball again, is the discouraging news handed out to the fans of Pittsburg.

Wagner, who limped from the game in the middle of the fourth inning Friday after two strikes had been called on him, did not appear in the game Saturday, nor will he appear for some time, according to his doctors, though Wagner had hoped to be in the line-up on Tuesday.

Wagner's injury appears to be a "stitch" in one of the heart muscles, incurred on last Thursday, when in the game with Cincinnati he hurt himself sliding to the home plate.

AWFUL! UMPIRE SUES

PLAYER FOR SLANDER

Mysterious Epithet Used by Catcher G's Him Into Dire Trouble.

WINSTED, Conn., Aug. 3.—What awful epithet "Charlie" Barnum, catcher of the Southington Valley League, hurled at August Jenks, an umpire, induced the latter to sue him for slander?

That's the question which is bothering the "fans" in this section, more than the standing of their respective clubs.

Until Jenks raised the issue no one could have believed it possible to indict an umpire. It was believed that the entire output of language—living, dead and profane—had been exhausted in an unsuccessful effort to find something that would penetrate the hide of the baseball referee.

The alleged slander took place during a game between the Lakeville and Shelton teams, in which the town of District Attorney Jerome, of New York, made famous, got the alleged slur of a seven to three score. No one has seen the complaint, but it is said to be drawn on August Jenks, "that so far old decisions were concentrated Jenks' judgment on several occasions, but says he can't recall using any stronger language and that usually any such judgment was concentrated on several occasions."

"There was only one reference, that he saw Barnum take offense at the end of the game, and that he said 'Barnum today.' It let him know in no uncertain language, that so far old decisions were concentrated, mortification had set in."

LACROSSE PLAYER ASSAULTS ANOTHER

WARRANT ISSUED

Micky Ions Must Face Charge

WARRANT ISSUED

Kicked Kalls on the Jaw in Game at Scarborough, Monday

TORONTO, Aug. 3.—A warrant was issued for Micky Ions of Brantford, the Tecumseh lacrosse player, on a charge of committing an aggravated assault upon George Kalls, a member of the Toronto lacrosse team, in the Tecumseh-Toronto game at Scarborough yesterday afternoon. Ions gave himself up this afternoon after it was learned that the warrant had been issued. Ions was released on \$200 bail supplied by Charlie Quigley, manager of the Tecumseh lacrosse team. He will be arraigned in the police court tomorrow morning.

The home player tried to check Kalls just as the latter was making a terrific shot on the goal. Unfortunately the ball was interrupted on its way to the net by Ions' head, and it hurt him badly. He rubbed the sore spot and Kalls, it is said, laughed. Play started and the ball was kicked down to the side of the field. Kalls knelt down to tie his shoe string and suddenly Ions rushed at him, giving him a terrific kick in the jaw and putting the plucky player down. The husky Brantford boy seemed to have lost his head entirely.
