WILL REMAIN IN SUSSEX FOR SOME TIME YET

Reported Departure of 104th for Aldershot Not Confirmed from Headquarters—Other Military News.

There was a rumour in circulation last evening that the 104th Battalion at Sussex had received official word to proceed to Aldershot this week, where they would go into camp with the Nova Scotian battalions for a short time before going overseas.

The Standard got in touch with Col. Fowler last night to find out if there was any truth in the report. Colonel Fowler stated that he had received official word from the military authorities advising him that the 104th Battalion, C. E. F., will mobilize at Sussex and remain there until they sail overseas.

Now that orders have been given out from headquarters that all the battalions in New Brunswick will remain where they are until after the 15th of June, the 122nd and 115th will not leave on the dates previously set.

Tomorrow will be the big day with the battalion. It is the fete day at Seaside Park when they will receive their regimental colors.

Yesterday the battalion took a route march out as far as the park and held a battalion drill. The men did not wear their heavy overseas kit.

The regular routine work will be carried out this morning, consisting of bayonet fighting and company drill.

The band is preparing a very elaborate programme of music under the competent direction of Bandmaster Perkins.

Lieut. Thompson will be the orderly officer for today.

Yesterday the battalion held a route march out as far as Seaside Park, where company drill was in-duced. The brass band furnished lively music on the march and great-ly enlivened the boys as they were put through the drill.

The machine gun section was also in yesterday's manoeuvres under the command of the section sergeant in the absence of Lieut. Grimmer, who is confined to the military hospital with the mumps.

This morning the regular routine work will occupy the attention of the battalion and this afternoon the bat-talion will probably march out to Seaside.

The band instruments will be pre-sented tomorrow at sharp two o'clock following which a musical program will be carried out by the band.

Lieut. Gramman will be the orderly officer for today.

The 237th Battalion. Recruiting for the 237th (American Legion) Battalion, is now in full swing throughout the province of New Brun-swick. This will be the fifth battalion raised in Canada for the American Legion, and judging by speed in which the 97th (the first battalion of the Legion in Canada), was raised and the nation-wide interest shown in the for-mation of the same, it will not be long before the 237th is up to full strength.

The 97th was raised in record time, with headquarters at Toronto, where the headquarters of the 213th are also to be found.

The 213th (American Legion) bat-talion will mobilize at Vancouver, B. C., and the 213th is actively recruiting throughout the middle west, with head-quarters at Winnipeg. That the for-mation of the 237th (American Legion) battalion in the Maritime Provinces will meet with great favor is a fore-gone conclusion, and it will bring to the ranks hundreds of former Cana-dians who have sought homes through-out the New England States, and through some reason or other could not enlist in a Canadian battalion, but who are eager to take their place in line for the cause of liberty and jus-tice.

Capt. Grant, who needs no introduc-tion to the people of New Brunswick, left the city on the C. P. R. last even-ing accompanied by Capt. Hawkins, (both of the 237th) for the purpose of starting recruiting offices at different towns throughout the province.

Capt. Hawkins will be in charge at Edmundston, Grand Falls and St. Leon-ards, assisted by Sergt. Pearson. St. Stephen will be looked after by Lieut. Bonnel and the office at Woodstock by Lieut. Fleming.

Capt. Miles and Lieut. Hillman have opened an office in the same building on Prince William street, this morn-ing.

CORPORAL CLIFFORD DAVIDSON KILLED IN ACTION JUNE 3RD

Mr. and Mrs. Alexander Davidson, 151 Orange street, received official word yesterday morning from Ottawa confirming the casualty list in which their son Clifford was reported killed in action. Lieut. Col. Percy A. Guthrie, who is in Upper Canada on a trip in connection with military business, was in Montreal Wednesday with Col. H. H. McLean, O. C. of the New Brunswick District. Col. McLean and Lieut. Col. Guthrie were guests of Col. Stark of Mount Royal Club while in Montreal.
