Mr. Robinson announces that Mrs. Sarah Thompson had been appointed matron and was already at the home with part of the staff supervising the work of furnishing the rooms. The refuge will probably be ready for the admission of children by the first of December.

ACT OF INSPECTOR.
Last week a man was fined \$400 with an additional \$44 for costs in the Fredericton police court for infringing the Prohibition Law. There can be no complaint on this score—it served him right. But the inspector who got the conviction deserves to be branded with a more ignominious mark than that of Cain. He went to work by making more or less of a "pat" of the man for some little time, and in the end persuaded his charm to see if he couldn't get him some liquor. The man, thinking he was dealing with a friend, procured the liquor and very shortly found out what sort of a "friend" he had made. Judas Iscariot must take a back seat with this inspector.—Chatlain Commercial.

Closing Days of The Victory Loan

Members of Y.W.P.A. Called In to Assist—Only \$1,053,900 Needed to Put Province Over the Top—Provincial Returns Received

Interest in the closing days of the Victory Loan campaign in St. John is increased by the announcement that the Young Women's Patriotic Association, an organization that has done splendid patriotic service during the entire war period, has been called in to assist in making the local campaign a whirlwind success.

Under the direction of Miss A. L. Brock these young ladies will conduct a special campaign directed at the prospects for the smaller bonds. Sales and advertising booths will be erected in every ward in the city, and the management, though not willing to commit itself, declares that there will be several surprising and unusual sales tactics carried out before the campaign is over.

It is expected tonight that St. John will have gone over the top in the Victory Loan campaign. The returns up to Tuesday night show applications to the amount of \$2,776,100, and to this must be added a considerable amount that has been promised from other sources, and the average day's collections. That the city and county will be able to make a strong bid for the German field gun trophy is a fact that can no longer be disputed.

Totals for the province are good and show that New Brunswick will: four days more to go has a total subscription of \$7,946,100—only \$1,053,900 is needed to put the province over the top, and there are four days left in which to do the job.

Provincial returns last night, which list in many cases districts which have not reported up to date, are as follows:

Attendance Record Broken Yesterday

Over 1,500 Persons Attended Cathedral High Tea and 825 Suppers Were Served—The Prize Winners and Popularity Competition.

Though other nights have been exceptional ones, last night broke all records at the Cathedral High Tea, when over 1,500 persons were in attendance and 825 suppers were served. Last year the event was considered most successful with a total of 1,755 suppers served, but for the three days of this week the total has been increased to 2,075, and there is another night to go. Tonight is the last night for participating in the culinary triumphs of the Cathedral ladies, and it is expected that there will be another bumper gathering.

One of the features of last night's entertainment was the appearance of Hiram Hornbeam and his good woman, Hannah, who appeared with a quantity of home-made pies right from the kitchen. Hiram was well received, and so were the pies, which sold faster than the well-known hot cakes.

Prizes won last night included an electric toaster, which was won at the price table by Mrs. C. J. Kane. Water, too, was a prize, won by ticket number 434 at the Iceland booth; a silk umbrella, won by ticket number 33,789, at the door.

The City Cornet Band, in its usual excellent style, furnished a most enjoyable programme during the evening. Tonight's door prize is a handsome mahogany dining tray and set. The fair will close Saturday night.

School Competition.
The latest standing in the school popularity competition is as follows: Madeline Dunlavy, grade IV, St. Joseph's school, 2,112; John Hordan, grade VIII, St. Mal's school, 2,107; Jessie Kendrick, grade IV, St. Thomas school, 1,827; Helen Kane, grade IV, St. Vincent's school, 605; Ralph Broderick, grade VI, St. Mal's school, 470; William Williams, grade X, St. John High School, 315.

Annual Reunion Greatly Enjoyed

Members of Second Divisional Train Met at Bell's Restaurant Last Evening—Excellent Programme Carried Through.

Every seat was occupied last night when the Second Divisional Train met at Bell's restaurant for the first annual reunion. Many of the members present had travelled quite a distance to be present, but there were no regrets for the event proved to be one of the most successful and enthusiastic of any held in the city and set a high standard for the smaller units.

R. I. Carlos, president of the association, occupied the chair and acted as toastmaster. Among his guests was Mayor Hayes, who sat on his right.

After the toast to The King was duly honored, the members set down to a very complete and sumptuous dinner, comprising oyster cocktail, chicken bouillon, entree, baked fresh halibut, creamed asparagus, orange fritters, roast Venetian young turkey, roast native pork, creamed potatoes, Hubbard squash, petit pois, pomme de terre, strawberry shortcake, deep apple pie, cocoanut cream pie, vanilla and chocolate ice cream, chocolate and assorted cake, toasted crackers, cheese, coffee, milk, buttermilk, fruit and cigars.

The toast to Our Guests was proposed by G. H. Patterson and earnestly responded to by Mayor Hayes, who spoke on the benefit of retaining the old friends and acquaintances made on the battlefield and in the training camp. He told of the burden that will have to be borne in order that Canada may carry on a nation and pointed out the active part that the returned war veterans can take in making Canada a nation of nations.

W. A. Dougherty proposed the toast to "Our Departed Comrades," which was fittingly responded to by the tributes of silence.

The meeting of the Second Divisional Train was proposed by W. L. Jones, and drew forth a very eloquent reply from Major Knox, who gave a graphic description of the activities and record of the unit from organization until it was demobilized.

"The Ladies" was proposed by Alfred Carlos and given ample justice by A. G. Haines, who responded in a very happy vein.

E. N. Willis proposed the health of "The Press," and the fourth toast was to eternal friendship, proposed by James Dever, a member of the writing craft and a veteran of the great war.

Sung stories, reminiscences, amid the curling smoke from fragrant cigars served to round out an evening of rare enjoyment and one which will live long in the annals of the Second Divisional Train.

Large Audience Hear Fine Address

In City Hall, West End, Last Night Dr. Rees Had for His Subject, "The Secret of a Happy Home."

Another large audience listened to a fine address delivered at the City Hall, West End, last evening. Dr. Rees spoke on "The Secret of a Happy Home." He believed that every home should be happy in the real sense must be a Christian home. Sin destroys happy homes and repentance towards God makes them what they should be.

The text taken was Acts 17: 30, "But now commandeth all men every where to repent." After describing vividly the circumstances which the text was uttered by St. Paul, Dr. Rees said: "In speaking from Mar's Hill and going over Paul's address have signed, We think and speak of sin as of an onerous and commission, and if we are not guilty of what we call sin of commission we are not very bad. But with our Father, sin has no degrees, and in the Book of Books it is the transgression of the law."

"The most fearful thing in this city, around this whole world, I can spell with three letters, 'Sin.' It is the one thing upon which God cannot look with any degree of allowance. What has it not done since it turned our first parents out of the garden of Eden?"

"Ask the mother who soliloquizes long after midnight 'Where is My Wandering Boy Tonight?' The wife and mother whom we thought married so well, but what will this year mean to her with a husband who has gone to eternal slumber? Or the monster who ruins homes, breaks hearts and wrecks lives, sending a multitude of children to eternal night."

"Oh the mighty love and longing solitude of our Father to set every one free I would urge you to repent for it augments the happiness of the home."

"What is repentance? Negatively, it is of sorrow or fear. Mr. Moody said it was the right-about-face. Sam Jones said it was quit your business. It is the Holy Spirit showing us our sins and turning from our sins to God. Turn ye, from your evil ways, will ye do."

A service today for women only in the Methodist Church, Guilford street, West End. Mothers are requested to bring their babies, as a nursery is provided.

Dr. Rees will speak again in the City Hall this evening. The audience last night was pleased to hear an address from Dr. H. E. Thomas, the president of the N. B. and P. E. I. Conference.
