Leading Hitters In Big Leagues

Chicago, Aug. 14.—Ty Cobb, cracked out 12 hits in his last six games, and boosted his batting average in the American League to .341, as compared with .322 a week ago. Tris Speaker, Cleveland manager, continues to top regulars who have participated in fifty or more games, with a mark of .417. Babe Ruth, of New York, leads in runs scoring with 120, and is out in front with total bases with 296. He stands fourth in batting with .387, being topped by Jackson of Chicago, who has 392, and Sieler, of St. Louis, runner-up to Speaker, with 404. Ruth has 41 home runs up to the completion of these averages, which included Wednesday's games.

Rice, of Washington, with 43 thefts, remains far ahead of his rivals in base stealing. Other leading batters: E. Collins, Chicago, 352; Rice, Washington, 352; Muesel, New York, 351; Cobb, Boston, 341; Jacobson, St. Louis, 337; Hendrix, Boston, 337; Weaver, Chicago, 335; E. Smith, St. Louis, 333; Judge, Washington, 329; Felsch, Chicago, 327; S. O'Neill, Cleveland, 327. Roger Hornsby failed to swell his average as leader of the National League batters in the past week, and retained his mark of a week ago, .372. Eayers, of Boston, the pitcher out of the field, has become the runner-up to Hornsby, with an average of .348. Roush, of Cincinnati, is next, with .333, and Nicholson fourth, with .328. Williams, the Philadelphia slugger, and Anglo-Canadian came from Los Angeles and elsewhere to witness the brilliant ceremony. Every formality was observed, and the spectators included royalty and the famous and fashionable of many nations. The ceremony was staged with a setting of flags, banners and fluttering pennants against a background of white stone, cement and wood. Despite the scenic effects, however, interest of the great assembly centered in the actual Olympic contestants—athletes from thirty nations—who paraded the arena and who tomorrow will begin their tests of strength and skill.

Athletes From Thirty Nations

Antwerp, Aug. 14.—The Olympic Stadium, in which many of the events of the 1920 Olympiad are to be staged, was opened today. In addition to the members of the Canadian Olympic team, a large number of Canadians and Anglo-Canadians came from London and elsewhere to witness the brilliant ceremony. Every formality was observed, and the spectators included royalty and the famous and fashionable of many nations. The ceremony was staged with a setting of flags, banners and fluttering pennants against a background of white stone, cement and wood. Despite the scenic effects, however, interest of the great assembly centered in the actual Olympic contestants—athletes from thirty nations—who paraded the arena and who tomorrow will begin their tests of strength and skill.

Commissioner John Thornton on Saturday sent an entry for Hilton Belyea to the North West Arm Rowing Club. The West End champion will row in the open senior singles event and will, perhaps, leave for Halifax tomorrow night. Hilton is in pretty good shape and it will take a very fast oarsman to defeat him. The Renforth four oared crew will most likely enter in the open four oared event. These races will take place on the North West Arm, Halifax, on Saturday afternoon next. There is an excellent programme arranged, and the fact that St. John oarsmen are to compete makes it more interesting.

On account of the bad weather the soccer game announced for Saturday afternoon between the English and Scotch players on the East End grounds, was called off. A decision will be made this week as to when the game will be played.

New York, Aug. 15.—Benny Kauff, outfielder, and Bill Ryan, pitcher, were recalled by the New York Giants Saturday from Toronto, of the International League. They will report here at the end of the International League season.

Maritime-Maine Racing Circuit

Rain Interfered With Moncton Programme — Woodstock Meet Called off — Springhill and St. John Events Filled.

Although entries for the Maritime Racing Association's first Maritime and Maine Circuit harness races at St. John do not close until tonight there have already been enough horses entered to assure the meeting taking place on the dates allotted, August 25, 27 and 28. This information was given out by J. D. Black, the manager of the organization that has been formed to take over Moosepath Park, who spent Sunday in the city after being several days at Moncton, where the sixth meeting of the M. and M. Circuit has been considerably upset by heavy rain on two of the three racing dates. The Moncton meeting will wind up today, if the weather permits, with a programme of four races. In addition to the free-for-all trot and pace there will be the 2.24 trot, the 2.59 trot and pace, and the 2.16 trot and pace. In the free-for-all The Exposer, 2:05; the Fredericton tractor, which won the free-for-all trot on the opening day, will start against the fast record pacers, being entered with White Sox 2:03 1/4, and Fern Hal 2:05 1/4. With the calling off of the meeting which was to have been held this week at Woodstock, all the stables campaigning on the Maritime and Maine circuit will go to Springhill, N. S., to race this week. The result has been that the six races on the Springhill programme have filled and there will be racing at the only town in Nova Scotia that has a place in the circuit on Wednesday, Thursday and Friday. The Springhill programme includes a free-for-all trot and pace; 2:14 trot and pace; 2:16 trot and pace; 2:20 trot and pace; 2:30 trot and pace, and a 2:30 trot. Frank J. Power, of Halifax, who has been the starter at Chatham, will be in charge at Springhill, and favored with good weather there should be excellent racing there this week.

Arrangements are now being made for the horses to be shipped from Springhill direct to St. John by fast train a week from today. The present expectations are that they will leave Springhill on the morning of Monday, August 23rd, arriving at the present Coldbrook station, which is but a short distance from Moosepath Park. Today work will be commenced to put the local track in the best possible condition, the stables needing repair, and under consideration the present indications are that some new ones will have to be built to provide accommodations for the number of horses that are coming to the first St. John meeting. So far as the improvements at Moosepath, which considerable work will have to be done. When the accommodations for the horses are complete work will be pretty well finished. It is expected on the track itself, equipment for going on with the work on the track can, it is expected, be procured through the provincial public works department of the city with the assistance of a road machine, a heavy roller, harrows, brush and planer, it is hoped to make Moosepath a faster track than it has ever been in recent years at least. A new judges' stand has already been built, and a separate stand for the timers is now under consideration. The grand stand will be improved as much as possible, and the city building inspector will be asked to pass upon it after it has been repaired. It is also understood that the centre-undershrub and bushes trimmed away from the field will be given attention and the so there will be a clear view of the horses from all parts of the grounds at any part of the race.

With only a short lease of Moosepath Park at present time the Maritime Racing Association will be unable to do everything we would like to do in the way of improvements before the opening meeting," said Mr. Black last night, "but we will have the place in good shape and clean; the track will be faster, I think, than it has been, then if the public show at the first meeting they want racing in St. John we will be able to go just so much further with our improvements and expenditures in preparation for the second meeting. On all sides we are being assured that St.

CARPENTIER IS COMING BACK

New York, Aug. 14.—Georges Carpentier, the French champion, is coming back to the United States to go through with his bout with Battling Levinsky the latter part of September or early in October. In a cablegram which Gus Wilson, manager of Marcel Thomas and Charley Ledoux, the French boxers received Deschamps says that he and Carpentier will sail from France on September 6 for America. Carpentier, Ledoux, Thomas, Deschamps and Wilson will stay at a cottage at Summit, N. J., Carpentier will get into condition there for the contest.

SAM LANGFORD WON DECISION

Chicago, Aug. 15.—Sam Langford won a newspaper decision over Sam McVey Saturday at East Chicago, Ind., in a slow and uninteresting ten-round fight. Langford forced the fighting throughout and was credited with winning seven rounds. Both teams scored a run in the third, and from this until the 14th inning not a player crossed the plate. It was a pitchers' battle throughout. Brownell, the Amherst pitcher, struck out 21 of the 42 Crescents who batted, and Campagna, of the Crescents, struck out 11. The fielding was of a high order, and the crowd enthusiastically applauded all good plays. Both teams had five hits. The Crescents had five errors and Amherst four. The winning run was scored by Hurley on an error. Brownell threw the ball too low to the third sacker, and Hurley raced across the plate and won the game.

Extra Innings Game At Halifax

Crescents of Halifax and Amherst Team Went Fourteen Innings on Saturday—Crescents Won, 2 to 1.

Halifax, N. S., Aug. 15.—One of the greatest ball games seen in Halifax in recent years was played on the Wanderers' grounds on Saturday afternoon between the Crescents of Halifax and the Amherst team. The game went fourteen innings, and the Crescents won by a score of 2 to 1. It was the second meeting of the Amherst and Crescents' teams for the championship of their section of the Nova Scotia League. Both teams scored a run in the third, and from this until the 14th inning not a player crossed the plate. It was a pitchers' battle throughout. Brownell, the Amherst pitcher, struck out 21 of the 42 Crescents who batted, and Campagna, of the Crescents, struck out 11. The fielding was of a high order, and the crowd enthusiastically applauded all good plays. Both teams had five hits. The Crescents had five errors and Amherst four. The winning run was scored by Hurley on an error. Brownell threw the ball too low to the third sacker, and Hurley raced across the plate and won the game.
