LET  
 EVERY  
 PERSON  
 VOTE

HON. R. W. WIGMORE

A self-made man and a living embodiment of what brains and energy can achieve with the opportunities of a blessed democracy.

ELECTION  
 DAY  
 SEPTEMBER  
 20th

# Here is the Whole Difficulty

Ninety-nine per cent of the men and women in the St. John-Albert electoral district realize perfectly well that Hon. Rupert W. Wigmore will be returned to office as Minister of Customs and Inland Revenue. They are so convinced of this that they are willing to let the other folks do the voting. This is the real danger. So many will be glad to let someone else do the voting that the majority for Hon. Mr. Wigmore may not justify him in speaking with the fullest authority for the electors of this constituency. There is no question as to his success. That has never been an issue in this campaign. Even the most rabid workers in the Opposition Party freely concede Mr. Wigmore's election. Their whole object has been, not to defeat him, but to hold down his majority. Towards the end of making that majority a big one the efforts of his active supporters are now directed. But all the organization and all the activity of a comparatively small committee will come to naught unless the great mass of the men and women electors in this constituency perform their duty and go to the polls. It is utterly useless to expect that Hon. Mr. Wigmore can represent St. John-Albert in the way it should be represented, unless he can carry to Ottawa with him a vote of confidence accorded by a tremendous majority of the people of these united counties. It is unfair to expect that he can accomplish for these counties the tasks which he has in mind unless it is in his power to say to his colleagues in the Federal Cabinet that he carries the almost unanimous approval of his constituents. It is the duty of the electorate of St. John-Albert to vote, first of all for one or the other of the candidates, and it is their privilege under existing conditions to vote for their own interests in casting their ballots for Hon. Mr. Wigmore. Too many men and women may feel inclined to stay at home, and not bother about going to the polls and voting. They think the issues of the day are not sufficiently important. They may believe that Hon. Mr. Wigmore's election is assured and that their influence will not be required. No greater mistake could be made. Every vote lost by neglect of the men or women of St. John-Albert to appear at the polling places on September 20th weakens the efforts of Mr. Wigmore. Every man and woman who turns out and casts a ballot in his favor supports him in the effort which he is making to advance the well-being of St. John City and County and of Albert County. Do not be carried away by the prevailing impression that Hon. Mr. Wigmore's election is a walkover. It will inevitably be a victory for the Minister of Customs, but the mere fact of victory is not at present the issue. It is the imperative duty of everyone to see that there shall be no opportunity of accusing Hon. Mr. Wigmore of retaining office by a narrow margin.

In the Union election of 1917 this representative won by one of the largest majorities ever accorded any candidate in Canada since Confederation. His vote on Monday next should be even greater than in 1917.

LET EVERYBODY VOTE!
