Fred Logan Talks About The Pros.

Says McGowan, Lamy, McLean and Staff Are Four
Best Skaters in the World.

Fred Logan of this city, the former International champion skater and who is raising a family of skaters to keep the Logan name on the skating map, among them Bill Logan, boy champion of the Maritimes in the 1920 and 1921 seasons, and also Canadian champion in his class is very enthusiastic about the big Canadian professional championship meet to be held Friday night and Saturday afternoon and night.

Last night, he said, "This meet is the biggest thing in the skating line ever staged in St. John or anywhere in Canada. McGowan, Lamy, McLean and Staff are the four best skaters of the world. The old timers of St. John who remember seeing Nilsson and McCulloch, skata here will see even faster or men than either of these old champions. It is a toss-up who will win the Canadian championship. All of the men are very evenly matched, and there will be some whirling skating, and I look to see some records smashed if the ice is in any kind of shape. Anybody who sees the meet on Friday night will certainly not miss Saturday's events. I look to see a monster crowd for both Friday night and Saturday afternoon for the racing and another big crowd for the Saturday night exhibition of stunts, for Lamy and McLean are wonderful in the stunt they do."

As for McGowan, he is a wonderful straightaway skater and he is good at the short distances as well as in the long events. He taught Demoran the St. Paul amateur who won the silver trophy at Lake Placid this winter, and Demoran copies his style. Demoran won the three mile race here.

Trojans Won From Yarmouth

Basketball Match Last Night
Resulted in Score of 41 to
36.

The Trojans defeated the Yarmouth Y. M. C. A. basketball team by a score of 41 to 36 in a match played in the Y. M. C. A. gym last evening before a fair gallery of spectators. The first half of the game started out rather slowly, due in part to the confusion caused by the similarity of the uniforms worn by the two teams. The Yarmouth players took the floor clad in black and burnt orange, while the Trojans were uniforms of black and gold. In the excitement of the game the colors confused the players and Trojans began passing to Yarmouth and vice versa. It was found necessary to stop the game, and the Trojans changed to their ordinary white gym suits. On their return the game soon improved and faster play was evident. When the whistle blew for half time the score stood 25 to 19 in favor of the Trojans.

The Yarmouth boys came back strong in the second half and towards the end of the game suddenly sprang to the fore with a score 25 to 35. Amidst the excited rooting of their backers the Trojans responded to the call and in some brilliant combination scored the rest for a final winning basket, the game ending 41 to 36 in their favor.

The Trojans were weakened by the loss of their stalwart center Malcolm who was on the sick list, and the consequent shake up in the team was responsible to some extent for the individual playing and lack of combination that prevailed for the greater part of the time.

Eldridge, one of the Yarmouth forwards played an especially good game, scoring 26 points of their 36, twelve of them on baskets.
The line-up of the two teams follows:

Trojans Forward Yarmouth
Shaw Forward Poole
Urquhart Centre Eldridge
Cross Centre Miller
McGowan Defense Hopkins
Kerr Spare Portes
Ketchum Spare Boyd
Referee—J. Margatta, St. John.
Summary: Goals, Shaw 4, Urquhart 11, Cross 3, McGowan 2, Poole 2, Eldridge 12, Miller 2, Hopkins 2.
Converted tries—Urquhart 1, Eldridge 2, Miller 2.
