Tools and Clothing Ingersoll Man's

In a shack on the property of a man
70 years of age, Chief Holmes, Inger-
soll, discovered a wagonload of stolen
articles, ranging all the way from
wheelbarrow to suit of clothing. The
shack was piled high with the articles,
largely of the nature of workingman's
tools. The man apparently has a man-
ia for hoarding, as no attempt was
made to realize gain by sales, as far
as known. It is apparent to the po-
lice. There has been much thieving
there of late, and it is thought this
find will explain some of it, although
the accused had the full confidence
of all who knew him.

den was found over a week ago.

Change in Control of Furniture
Firm at Made Stratford

The George McLagan Furniture
Co., Stratford, as it has existed her-
for the past nineteen years, has been
reorganized and the business is being
carried on under the name of the

of Mr. McLagan a little over a year
ago, is president of the new company
and also manager director. W.K.

Robertson and L.M. Green of To-
ronto form the board of directors.

Grip, Influenza

Hamilin's Wizard Oil a Reliable,
Antiseptic Preventive

During influenza epidemics spray
the nose and throat several times a
day with one part Wizard Oil and
two parts water, using an atomizer.
If you haven't an atomizer, gargle
the throat and snuff the mixture up
the nose. This treatment sets up an
antiseptic wall of defense against
"Flu" germs.

Chest colds and sore throat lead
to grip. Stop them at once with
Wizard Oil before they can develop
into dangerous influenza.
Get it from druggists for 30c. If
not satisfied, return the bottle and
get your money back.
Ever constipated or have sick head-
aches? Just try Wizard Liver Whips,
pleasant little pink pills, 20c at drug-
gists. Guaranteed.
