

You Read a little, Write a little, Visit and Sew but you get 1000 Meals a Year

A little journey to the home of the average woman shows clearly that the most important part of her daily routine is the "bread-and-meat" problem in the kitchen.

Three meals a day—more than a thousand times a year—the housewife plans and prepares the family diet. Success depends largely on health, health depends on food and its cooking, and the success of that cooking is assured by the use of a Gurney-Oxford range.

This range is built with all that highest skill and best materials can put into it—all the *lasting* qualities

The Oxford Economizer is a big factor in the working out of the fuel and time-saving principle. This Economizer is a small lever used *only* on Gurney-Oxford stoves. A turn of the Economizer and your fire is held at even temperature for hours without attention and with 20% saving in coal. It will bake though the pipe be cool.

The divided flue-strip gives an *honest* oven-baking that never disappoints, because the heat waves travel *equally all over it*. Ask the dealer to demonstrate the principle by which this oven-arrangement is assurance of baking success.

STOVES AND RANGES

—all the points that tend toward comfort and convenience of operation.

It is built on honor by a firm of sixty year's standing, whose splendid reputation depends on a continuation of the integrity and square dealing that has made it famous.

In short, the housewife, to whose care is intrusted the imperative "three-times-a-day" demand for meals, will find every possible aid to perfect results conveniently obtained in Gurney-Oxford Stoves and Ranges.

Ask to see, also, the clever working of the Reversible Grate. It can be cleaned with a half-turn to the right, and there is no trouble with clinkers, owing to the force of the strong interlocking teeth.

The Gurney-Oxford special soft coal grate is equally good for bituminous coal.

Full measure of beauty and style is added to these practical advantages. Ask your dealer or write our nearest branch for the most convenient address. Ask for free booklet.
