and you will be surprised with the new feeling of POWER.

There's a reason—absolute cleanliness—a level surface which yields to every move of the body and permits perfect circulation—prevents bad dreams. Will not cost half a cent a night.

## About Your Hunting Location

Anticipate the opening day of the season; line up your arrangements now; get maps and general particulars of the new game-lands north of Parry Sound—the best deer country in Canada. Last year more deer were taken out of CANADIAN NORTHERN ONTARIO territory than from all other portions of the province combined, yet only 27 miles of the new extension from Parry Sound were open. This year the extension is completed from Parry Sound to Sellwood thirty miles north of Sudbury, a stretch of over 140 miles through the richest big game country in Ontario. Write or call for a copy of "Moose Trails and Deer Tracks," a new publication, brimful of useful information for hunters.

Address, Information Bureau, Canadian Northern Building, Toronto, or call at Ticket Offices of CANADIAN NORTHERN ONTARIO RAILWAY, Cor. King and Toronto Streets, and Union Station.

## GOOD HUNTING

The finest hunting grounds in Canada, for big game and small game, are reached by the CANADIAN PACIFIC RAILWAY. Among the best must be reckoned the country adjacent to the recently opened Toronto-Sudbury line—alive with moose, deer, bear and every variety of game. This will be the first hunting season this country has been accessible by rail. Go up while it is at its best.
