

Red eyes and black eyes

By IAN MacKENZIE

The UNB Lifeguard Club will be having a general meeting on October 7 at 8:00 PM, in the lobby of the L.B.R. Gym. This meeting is open to anyone interested in perfecting their lifeguarding and first-aid skills, also to anyone who would like to see some lifeguards in action and what they are trained to do, or those who would like to come out and have a good time in and out of the water. This club is open to all ages and those people who are taking advance lifesaving lessons (such as Bronze Medallion or Bronze Cross) can come and get some tips from friends.

This club was formed last year under coach Steve Power. The UNB Red Eyes and Black Eyes would like to thank Steve for all his work and dedication to the club. These teams did very well at the competitions attended last year. The Black Eyes were the New Brunswick Priority Assessment winners. The Red Eyes were winners of the Nova Scotia First-Aid, the 100m land sprints, the New Brunswick C.P.R. and the

team relay swim at the Quebec Provincials.

The Red Eyes also went onto the Canadian National Lifeguarding Competition in Burlington, Ontario to represent UNB. The team placed second in the Taplin Relay and second in the Priority Assess-

ment. They placed eleventh out of twenty-three teams. One member, Ian MacKenzie, won the Most Outstanding Sportsmanship Award for the competition. The club is now planning to send two or three teams out to Edmonton, Alberta to next year's Nationals.

Three members of the team; Steve Power, Laura McMahon and Ian MacKenzie join with Jody Crowther and Carolyn Galvin to form the Fredericton F.U.N. team. This team hosted a competition at Mactaquac Provincial Park, and are now the New Brunswick Waterfront Champions.

The Lifeguard Club is looking forward to a good year, and is starting up soon with its campaign program to raise money for equipment, travel, uniforms, and other costs. We would like to remind everyone that you do not have to be a

lifeguard working at the Sir Max Aitken pool to join. To be a member, you must have at least a Bronze Medallion, but to compete, you must have a National certificate of any option, or be enrolled in a nationals course at the time of the competitions. Please come out and help make this year be your and our best year of them all.

Keep an eye out for the GROGs sponsored by the lifeguard club as posters will be placed up and around the university during the next two weeks.

NAME THE KITTY CONTEST

WIN - WIN - WIN

Name this Kitty. Find the true meaning of life. Open up new horizons. Win a fabulous trip for two to the sunny Bahamas. (Or if not available, win our alternate prize, to be named later).
