Belleville, June 7 1907.

Sir:— Your letter of 4<sup>th</sup> inst. No 172144 with vouchers for Church Bell for Christ Church Tyendinaga; and freight thereon came to me as stated.

I regret that I omitted to certify the vouchers but I have now done so—

The latter part of your said letter however shows that the writer had not seen the minutes of special meeting of the Mohawk Indian Council held on 28<sup>th</sup> May 1907, a copy of which minutes I sent to the Dept. as is the practice, just after the meeting. The second resolution passed at that meeting requested the payment of these to accounts.

Herewith I return to you the said vouchers and trust cheques may soon come—

Your obedient servant  
W. R. Bylaworth  
agent.
