The Hon.

W. L. MacKenzie King,  
Minister of Labor,  
House of Commons,  
Ottawa, Ont.

Dear Mr. King :-

(Private.)

I received your letter of the 21st. instant in reference to the appointment of two Lecturers to the Law School.

I have an important business engagement on Thursday and did not intend to attend the meeting of the Benchers. In view, however, of what you stated in your letter, I will arrange with one of my partners to take the business engagement and make a point of being present.

I will do the best I can to see that the matter you refer to is carried out on the lines you desire. I quite appreciate and sympathize with your point of view.

Yours truly,

*W. Woodfoot*
