Ottawa,
August 2, 1940.

W. H. Carter, Esq.,
President,
Winnipeg Electric Co.,
Winnipeg, Man.

Dear Mr. Carter:

I have yours of 31st ult.
I thoroughly agree with everything in it,
but could not succeed in defeating the Bill.
Seven of our own men voted for it, including
one from Winnipeg.

I am going to take an opportunity,
if I can, to call attention to the Winnipeg situa-
tion. It would be terrible if the City Hydro
were relieved. It is not necessarily relieved
under the Bill, but may be.

Yours very truly,

AM/E.
