

FARM BOYS

The Ontario Agricultural College GUELPH, ONT.

Opens Sept. 18th, 1914

FOR COURSES OF 2 AND 4 YEARS.

Every ambitious farm boy in Ontario Can
Come to College,

BECAUSE:

Ordinary public school education is sufficient
for admission to the Course.

The College year begins September 18th and
ends April 15th, so that students from the
farm may return to their homes to assist in
the spring and summer work.

Five months during the spring and summer
gives many students opportunity to earn
sufficient money to defray College expenses
for the following year.

The tuition fee for Ontario students for two
years is only \$20.00 per year, while board
and room in residence is obtained at \$4.00
per week.

A portion of the cost during the first year is
defrayed by work on the farm and the
various departments.

Students wishing to take the full Four Years'
Course for the degree of B. S. A., conferred
by the University of Toronto, do not re-
quire matriculation standing. Students are
accepted for this Course if their standing
on second-year examinations warrants it.

Write for a calendar of the regular courses.
