25 Percherons, also French Coachers, Hackney and Clyde Stallions

Have just arrived, Aug. 16, 1906, from Great Britain and France with our new importation of high-class stallions, many of them prizewinners in their native lands, bred by the best breeders. The Percherons are large blocky fellows, 3 to 5 years old, descendants of such noted champions as Brilliant, Besique and Romulus. Blacks and dark dapple greys, weighing from 1,600 to 2,100 lbs., with the right kind of legs and feet, and can go like trotters. We personally selected every horse ourselves, using extraordinary cantion to select nothing but good sound serviceable horses that will do our customers and the country good. The French Coachers, Hackneys and Clydes are also of the best breeding, some of them prizewinners in England, Ireland and Paris. We will sell you a better stallion for less money than any other importers in America, with a guarantee as good as gold. Intending purchasers should visit our stables before buying elsewhere. Inspect our stock and get our prices. Terms made to suit purchasers. Hamilton & Hawthorne, Simooe, Ont. 82 miles S.W. of Toronto, on G.T.R. & Wabash

ONLY AN ACQUAINTANCE

A Scot, who served an Englishman last summer as guide and friend on a fishing trip, had a weakness for claiming relationship with all the influential families in that part of Scotland.

One day the Englishman met him on the road driving a pig, and saw a little

"Well, Donald," said he, "is that one of your grand relations?"

"Oh, no," said Donald, quietly. "This is just an acquaintance-like yersel'."

WARNING TO STOCK BREEDERS. Breeders of pure-bred stock in Ontario

are warned to be on their guard to avoid being imposed upon by a notorious crook, who is making a tour of the Province. masquerading under various aliases, sometimes professing to be an agent of "The Farmer's Advocate," and in other cases as a breeder in search of pure-bred stock, his main object being to secure free board and lodging for a few days, though generally concludes the purchase of some stock, and promises to mail a cheque or draft for the amount involved. He is often short of expense money, and modestly suggests that if he had enough to pay his fare to the abode of some well-known breeder, he can get what cash he needs on his cheque or his cheek. He is really a tramp of the meanest sort, and a nuisance that should be run out of any neighborhood in which he appears, or better, perhaps, arrested as a vagrant and jailed. There is, it is said, evidence of his having stolen articles of clothing from homes where he has been entertained, and farmers will do well to carefully scrutinize any caller of whom they have cause to be suspicious, and if this one shows up, make it interesting for him. His alias used during a recent tour in Elgin County was R. H. Reid, the name of a Bruce County breeder, but this will doubtless have been exchanged for another before this reaches our readers. The following description may aid in his identity: Height about 5 ft. 6 in., dark hair and moustache, weight about 140 lbs., wears his hair a trifle long behind, a black suit, black stiff hat and prairiewolf overcoat. Keep a sharp lookout, and make it hot for him if he shows up in your neighborhood.
