No Man is Guaranteed Free from Liability to Accident

Ever think of that? Almost any article may be warranted, and of a much frailer character, but not so with man.

Think of the many unknown dangers by which he is encompassed, due indirectly to the strenuous life of the world to-day, and which encompass you right now, though the danger may pass over and you never know of its proximity. What if it should fall?

Had you not better get busy and hunt up a reliable accident company? The threatened danger may make itself apparent to-morrow, and then you will realize all too late that what you do not reckon with to-day is reckoned against you to-morrow. Why not a Triple Indemnity Policy, issued by the Ocean Accident and Guarantee Corporation, Limited, which in addition to giving you all the privileges of other accident policies, provides triple not double indemnity for loss of life caused by an accident.

You would most certainly insure your house, and if your house, why not yourself? Are you not more important, and is it right to those dependent on you for maintenance, to go about unprotected? Had you not better see the Ocean Accident and Guarantee Corporation, Limited, Offices, Confederation Life Building, Toronto, and have them talk this vital question over with you. Run no more risks.
