## THE LIFE AGENT

seeking connection with a Company—should consider precisely the same points as though he were taking Insurance in that Company. Are the rates attractive—the Results to Policyholders satisfactory—the Policies right?

For on these points will depend his success in turning prospects into Policyholders.

From the fact that for three successive years The Great-West Life has written the largest Canadian business of all the Companies it is clear that applicants consider The Great-West Policies the best available. The further inference is equally obvious—if the best to buy The Great-West Policies are the best to sell.
