### Harper's Magazine.

ILLUSTRATED.

### NOTICES OF THE PRESS.

The Magazine has attained in its one quarter century and more of existence to that point where it may be said of it, in the words of Dr. Johnson, "It is vain to blame and useless to praise." The lustre of its long-ago-attained reputation has increased as the years have passed, and its future seems as bright if not brighter than at any time since the golden hue of prosperity settled around its later and best years.—Brooklyn Eagle.

Harper's Magazine is marked by the same characteristics which gave it circulation from the first with the better class of readers. It combines reading matter with illustrations in a way to make clear and vivid the facts presented. Pictures merely designed to catch the eye of the ignorant are never inserted.—Chicago Journal.
