London Fence

FACTS ARE CONVINCING

LONDON FENCE LIMITED, PORTAGE LA PRAIRIE.

DEAR SIR,—I do not hesitate in recommending the LONDON FENCE in preference to any other kind of fence I have seen, and I have seven different kinds on my farm, viz: Barb Wire, three kinds of factory woven, three kinds of stayed lock fence, and the LONDON, which I consider is in a class by itself, both for durability and cost.

Alexander, Man. (Signed,) M. SMITH.

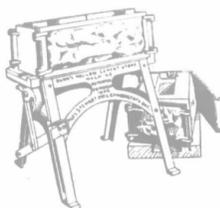

You cannot afford to experiment with fencing. The "LONDON" always gives satisfaction.

Our Catalogue tells more about it. Send for one.
